HOW ABOUT IT?

The Barometer is complimented. It is a pleasant surprise and comes to 🌲 the staff like a cool breeze in an arid 🎄

We are rather accustomed to hearing on the campus caustic remarks to the effect that there is "nothing in the sheet today" and others similar. . However, the staff members work hard and late and do their best, often 🎄 severe difficulties, which is the most anyone can do. Therefore . they note the aforementioned warm remarks and sometimes wonder if it as all worth while.

But comes the Gazette-Times, a • Other speeches will be, "Stupretty representative specimen of the . dent Life in England," and up-to-the-minute daily, and shows its 4 "Education in America." appreciation of the Barometer news acribes on one occasion by injecting . numbers if our musicians get atories from the Barometer into its • over the epidemic. Everyone line-up to the extent of four out of six . is cordially invited. first page "scare heads," places more on the last page, and still some more . as a sandwich in between along with the city locals. It must be good stuff or the G.-T. would hang out a sign like this (Barometer) at the head of the column.

So the staff is encouraged to further efforts, believing that their "stuff" is not so bad after all.

OXFORD CLUB DEFEATS THE UMATILLA QUINTET

Winners Win Championship of Sec- R. G. Dieck Addresses Students on ond Division. Will Meet Arcadia Tossers for Title.

The Oxford Club cinched the championship of their division with three land, addressed the Associated Engiwins and one defeat last night when they defeated the Umpqua quintet 22 to 6. The game was fast, but the Oxford quintet clearly outplayed and opttossed their oppon- usefulness open to civil engineers in ents. Paine and Dunn were the big municipal government work. Mr. stars for the winners, while Strain Dieck is commissioner of public and Russell were the stellar perform-

ers for the defeated aggregation. pionship of the second division as grading, paving, and bridges, and has both teams had two wins and one had many years of experience as a loss chalked up against them. The municipal engineer in the United winners will play the Arcadia Club, States, Europe, and the Philippines. leaders of the first division, for the club championship, probably tomor- nicipal engineer has been greatly row, immediately after the class hindered by lack of willingness of games. In the first division, Arcadia city councils to follow the advice of with four victories, in four starts, to technical men, and by the fact that their credit, completes her schedule engineers have not understood how with 1000 per cent. The Osolito Club to make the voters appreciate the by virtue of three wins in four starts, great saving in expense which results finished in second place.

ORGANIZATION OF COLLEGE ORCHESTRA IS PERFECTED

Members of the college orchestra, feeling the need of a definite organization, met recently, appointed a committee to draw up a constitution, and elected officers to serve for the remainder of the college year. J. O. Turner is president; O. H. Shrepel is business manager and secretarytreasurer; G. S. Vincent, publicity manager; and Aiken, librarian.

Miss Seeley, Shrepel, and Aiken are members of the constitution com

of Oregon star half and quarter miltution.

LAST BAND INFORMAL OF

THIS SEMESTER TOMORROW

On Saturday afternoon in the wo nen's gymnasium at three-thirty will be given the last band informal of the semester. This comes as a shock to those who delight in the mild athletics of the modern dance, but the greater shock is that next semester there will be fewer than there were this semester.

The matinee dances are very popular and the band does play very good
