NEWS EDITOR FOR THIS ISSUE
W. J. O'NEIL

The only date now available for any organization to publish a special edition of the Barometer is April 25. Every date after that has been granted. It is also essential that the names of the editors and managers of all special editions now arranged for be submitted to the manager of the Barometer at once.

Now and then come vague rumors from the undercurrent of affairs regarding junior flunk day. Comes rumor that the usual deeds of valor and near carnage which have characterized the event in the past are gleefully looked forward to by members of the upper classes.

There is really no great disadvantage resulting from a good healthy class scrap, but by the time students have arrived at the dignity of being listed in the senior class and the responsibility of enrollment among the juniors, so soon to be the seniors, it should be evident that there are better ways of demonstrating class loyalty and capability for successfully carrying dignity and responsibility. Junior flunk day is a campus tradition. It is for the College, a comparatively ancient institution. Originally it was a day set aside by the juniors for the carrying on of some constructive work for the College followed by a holiday picnic. By unhappy chance the annual mix became a part of the program.

Last year influential students and the faculty frowned upon the results of the usual program. The disfavor of these persons was merited. Let the juniors this year return to the old custom of constructive work for a portion of the day. Follow this with a picnic and happy get-together time. If the juniors permit the seniors to remain comfortably on the sleeping porches until morning and then surprise the near-graduates with the sight of some real work being done upon the campus around the hour hallowed by eight o'clocks a generally successful day will result.

Last fall the Willamette Collegian was loud in denunciation of certain rowdies who shied pebbles at their coach and substitute players as they sat upon the bench on the sidelines during the O. A. C.-Willamette game upon the campus. Our baseball team plays Willamette at Salem and loses most of the personal effects of the players. We suggest just as much reform medicine to the Willamette people as they suggested to us.

ROOKS WIN FIRST GAME DEFEAT DALLAS HIGH

Shake Scintillates for the Yearlings Retiring Thirteen Men and Allowing Two Hits

The Rook baseball team started its season well by defeating the Dallas High nine 14 to 0, last Friday.

The pitching of Shaka was the feature of the game. He held the "prepers" down to two hits and struck out 13 men.

Bevins, the opposing twirler, pitched good ball for the first seven innings, striking out ten men. His support was very poor however, and the Rooks corralled nine runs. McKinney pitched the 8th inning, allowed the yearlings to bat around. During this process they managed to gather five runs.

Heiss with four hits out of five times up, one of which was a two-bagger, was a shining light in the game.

Duncan managed to get on bases every time. He stole three bases and made five runs.

Kraft, Lowe and Grassman also played good ball for the Rooks. Besides pitcher Bevins, Bennett 2nd and Wilson catching played the best ball for the visitors.

Swank the '19ers center fielder, sprained his ankle sliding into third in the sixth. He may be out of the game for some time.

The batteries were, Rooks: Shake and Grasman; Dallas: Bevins, McKinney and Wilson.

ROOKS LOSE TO SALEM SATURDAY AFTERNOON

Tollman Salem's Speedy Port-wheeler Too Much for the "Verdants" Willoughby Fans Nine

Saturday, the Rooks journeyed to Salem, only to meet defeat at the hands of the Capital city boys, 7 to 5. Willoughby who hurled for the rooks struck out nine and allowed 6 hits while the cherry city's left-hander, Tollman, struck out 8 and was hit safely 7 times.

For the Rooks, Grassman, Willoughby, Heiss, and Kraft played the best ball. Proctor, Tollman and Gill were the stars for the Salem boys.

The batteries were: Rooks, Willoughby and Grassman; S. H. S., Tollman and Gill.

ROOK TEAM WILL PLAY U. OF O. FRESHMEN NEXT

Considerable interest is being displayed in the two baseball games scheduled for this week end between the freshmen teams of O. A. C. and the University of Oregon. The games will be played in Eugene this Friday and Saturday and later in the season the same teams will meet on the local diamond.

Reports from Eugene bear evidence that the yearling nine over there is above the standard and the local first year men are going fairly good so several exciting games are looked for.

NOTICE, JUNIOR WOMEN

There will be a meeting of all junior class girls in room 300, Dairy building, Wednesday noon. Dean Fawcett will address the gathering on a very important topic and she is desirous that all junior women attend the meeting.

FORUM

There will be an important meeting of the Forum Society in Shepard hall, Wednesday noon, 12:00. Every member should be there.

COLLEGE-STUNT NIGHT COMING—MAY 12th SAVE THE DATE

Orange "O" club meeting at Stidds' Wednesday night at 7:30. Election of carnival queen.

SENIORS

The final distribution of commencement announcements will be on Friday, April 21, from 1:30 to 5 at the administration building.

NOTICE

Very important meeting of the Withycombe club tonight at seven o'clock. Prof. Potter will outline plans for the annual judging trip and all arrangements will be made. It is essential that every A. H. man be there.

News of Other Colleges

Illinois Wesleyan—Over a hundred students are said to have been expelled for dancing. Rumor does not say what they were dancing.

Texas—Seniors at the University of Texas carry canes and wear full dress collars and ties every Monday and Thursday.

Vassar—Nearly a hundred students are working their way through college by occupations ranging from posing as artists' models at thirty-five cents an hour to shining shoes at five cents per pair.

Syracuse—Fraternalities will not allow their members to join underclass societies.

Northwestern—A pedometer worn by the referee indicated at the end of a basketball game that he had traveled five miles.

Vanderbilt—Student government has been adopted.

Colgate—Sophomores will be allowed to smoke only corn-cob pipes on the campus after this year.

Y. W. C. A. CONFERENCE A SUCCESS

(Continued from Page 1.)

Stunts at Seabeck—Lora Warmington, Albany College.

Songs from Seabeck—Miss Gillies, U. of O.

Seabeck in Poetry and Pantomime—U. of O.

The afternoon session was led by Mrs. Fawcett. Mrs. Geo. T. Gerlinger of Dallas, Oregon and Mrs. S. S. Smith from Turkey, suggested avenues of service for young women in America and in the Orient.

Prof. U. G. Dubach in his address emphasized the importance of the conference held in the summer. He considered it the most important of all training and that College girls should always be working toward that end.

The evening session was opened with a vocal solo by Miss Mildred Manual. At this time President Kerr addressed the conference. He brought out clearly that girls in the association should not work for the uplift of their own members but for the benefit of each woman in College.

On Sunday morning the girls were

guests at the First Presbyterian church. In the afternoon, a short service was held, bringing to close the entire conference.

The Y. W. C. A. Cabinet Conference has been invited to meet next year at Eugene.

FORESTERS

Regular meeting Wednesday, 7:15 p. m. Science hall.

Last meeting before trip. Everyone out!

MRS. BROOKS TO SPEAK AT INDEPENDENCE TODAY

Mrs. Helen B. Brooks, head of the Domestic Science and Art department, of the Oregon Agricultural College will lecture April 18, on "The Value of Training in Home Economics" before the Parent-Teachers association of Independence.

Kansas—A newly married professor when calling the roll was greeted with "Congratulations professor," by each student in turn.

Y. W. C. A. WAFFLE-BREAKFAST

The Annual May Morning Waffle Breakfast will be given Saturday, May, 6th, in the Home Economics building.

Miss Ina Wattenberger, with Mrs. V. R. Gardner as her advisor, announce that Miss Inez Bozorth will have charge of the kitchen and Miss Irene Ahern of the dining room. Reservations for parties will be made in advance.

EXTENSION SPECIALIST TO SPEAK AT AUMSVILLE

A lecture on "Raising, Feeding and Care of Poultry" will be given before the Aumsville Grange on May 4, by Mr. C. C. Lamb extension specialist in poultry husbandry.
