OREGON STATE AGRICULTURAL COLLEGE, CORVALLIS, OREGON, TUESDAY, MARCH 19, 1918.

NO. 39.

WAR STAMP DRIVE READY TO BEGIN

COMMERCIAL CLUB'S CANVASS OF CITY WILL START THIS AFTERNOON

Work Has Already Begun in the Houses and at Halls to Enlist Support of Students for Campaign—60 to Participate

Beginning at noon today and lasting until Saturday, the War Savings Stamp drive in Corvallis, which is being conducted by the O. A. C. Commercial club, will reach every fraternity, club and sorority house on the campus; will include Waldo and Cauthorn and will result in a personal visit by canvassers to every home in the city.

Mr. E. B. Lemon has divided the city into districts and then subdivided the districts. The canvass will be made in parties of two or three under the leadership of a captain. Results will be reported to the majors and by them to Mr. Lemon at the close of each day.

Work Already Started

Work has already begun in the various houses and at Waldo and Cauthorn to arouse interest in the stamps on the part of the students, so as to make the task of the sellers easier when they begin. It is intended to have the stamps thoroughly explained and the saving idea brought home to the people. The drive will be for this purpose almost as much as for the purpose of immediate sales.

About 60 people will take part in the canvass. It will be under the direction of Mr. Lemon and four majors, Professors Comish and Hills, and Ted Cramer, Bernard Mainwaring, and Lyle Kiddle.

Many Will Participate

The captains are: C. A. Long, W. W. Shelton, Grace Sandon, Marguerite Turner, Eleanor Nichols, Joe Hackett, Lynn Sabin, Edith Ballif, C. S. Nesbitt, F. A. Taylor, Ruth Gay, Elynore Sweeney, Altha Cooper, Eldon Simpson, W. H. Proctor, Emil Seibert, B. C. Palmer, Bertha Whitlock, and Louise Lewis.

The lieutenants are: Lloyd Gregg, Pearl Garvin, Edwin Walker, Elizabeth Smith, Ora Beals, W. H. Weisenbaum, Uriel Burt, Susan Haley, Helen Elkins, Irma Yates, H. George, H. Carlson, L. J. Tolls, L. H. Paine, Mary Holmes, Alice Cady, Malme Martins, Martin Kurtz, George Henderson, Ellis Brown, Marie Prather, Ivan Stewart, J. W. Holden, Ellen Futruff, Kate Sappington, Paul Billeter, Robert Munson, Curtis Miller, Mina Ash, Gladys Brisco, L. E. Palmer, Roma Jacobson, L. J. Scritsmier, Robert Kinzey, Frances Walters, Marguerite Appelman and Esther Asplund.

NEW MEMBERS SOON TO BE SELECTED FOR FORUM

Honorary Society About to Bestow Recognition on Fourteen Juniors and Seniors

The faculty committee that recommends candidates for the junior-senior honorary society, the Forum, has now completed its work and the names are before the active members of the organization. The names of persons finally chosen for the honors are not yet ready for publication. One senior woman, two senior men, four junior women, and seven junior men will be chosen. The final choice rests with the active membership of the Forum itself.

The Forum was organized by the junior and senior classes in the spring of 1914. Its main purpose is to promote efficiency in scholarship and to recognize character and participation in student activities.

It is regarded as a decided honor to be elected to membership in the Forum because of the high standard maintained within the organization.

Crouch—Do you like to see the girls knitting all the time?
Grouch—Yes, it gives them something to think about while they talk.

BISHOP SUMNER TO MAKE ANNUAL VISIT TO CAMPUS

Guest is Always in Demand and This Year His Schedule Will be Made in Advance

Announcement has just been made that Walter Sumner, Episcopal Bishop of Oregon, will visit the campus on April 29, 30, and May 1, and that he will speak at convocation on the latter date. He will follow his usual custom of dividing his time between public addresses and private conference with the students.

Since coming to Oregon Bishop Sumner has made it a point to visit O. A. C. at least once each year and is therefore well known to practically everyone here. He is recognized as being one of the strongest speakers in the State and this fact, together with his personality and the message which he brings, has made his previous visits here occasions long to be remembered.

When on the campus Bishop Sumner has always been in great demand and has had more appointments than he could possibly fill. In order to avoid this confusion Secretary Jensen wishes that all organizations desiring to entertain Dr. Sumner report to him at once so that a schedule can be made.

COUNTRYMAN IS OUT

NUMEROUS CHANGES MADE IN ITS APPEARANCE

Two Issues to be Published Next Month, so May and June Issues May Appear on Time

The latest issue of the Oregon Countryman, long delayed because of the departure of a large number of staff men from college, appeared on the campus this morning.

Numerous changes have been made in the nature and appearance of the publication since it last changed hands. New departments have been used and new headings installed, until the paper today presents an altogether different appearance than it has had during the past year.

In an effort to catch up with the regular date of publication, the members of the staff have been working hard of late and have already made up over two weeks of the lost time. By putting out two issues next month, one on the first and one on the fifteenth, the remaining four weeks of lost time will be made up, and will result in the May issue appearing on time on the first of May, and the June issue coming out on June 1.

A serious shortage of assistants on the Countryman staff has left several places still to be filled. Home economics girls as well as agricultural students and all who are interested in the work have been requested to attend the meeting of the staff at Shepard Hall this evening.

ENGINEERS HEAR TALK ON BUILDING CEMENT ROADS

T. F. Boltz Explains Construction Process and Shows Slides of Washington Roads

Mr. T. F. Boltz, representing the concrete users, talked last night to engineers and road builders upon the use of concrete in roads.

He outlined the manufacture of good roads from the setting of the grade stakes to the maintenance and repair of concrete highways. The slides illustrating the lecture were largely of Washington roads in the process of making and also of roads in the finished state.

DELTA ALPHA WINS SILVER CUP

HONORABLE MENTION GOES TO CAUTHORN HALL FOR "ESCO TRAGEDY"

Third Annual Stunt Show is Pronounced Best Ever—Uniform Excellence of Performances Makes Task of Judges Difficult

(By Florence Holmes)

Before a capacity house Saturday night the girls third annual stunt show for the benefit of the Y. W. C. A. was presented. Songs and dancing, gorgeous spectacles and funny situations, patriotic numbers and local color all clamored for attention on the well balanced program of events. The show was given in the Women's Gymnasium where despite many handicaps in the matter of scenery, lighting effects and space, little delay was caused and the events moved on with a professional punctuality.

The winning number was that of Delta Alpha, "Every Dog Has its Day." This is the second time that the organization has captured the silver Fawcett cup. The stunt was cleverly worked out and well presented and the local color, introduced through the use of the well-known fraternity house dogs was well handled. Honorable mention went to Cauthorn Hall, whose members put on an icy act which despite its frigid title, "An Esko Tragedy," was a humorous and unusual stunt. The sad event of the love scene of an Eskimo and a fair maid was dramatically told in verse.

Contest for Prize is Close

The judges for the evening were U. G. Dubach, Rev. C. J. Greene and A. R. Woodcock and as usual they had a very difficult time to decide on the awarding of the cup.

The program opened with "A Ghost of a Show," a well coached and interesting skit by Kappa Alpha Theta. Prominent members of the various classes were introduced in the piece.

The Down Town Girls' club gave a very successful number called "The Fountain of Knowledge," in which many phases of college life were shown. Next the Alpha Chi Omegas presented their stunt, "The Hour Glass," quite martial and appropriate to the present strenuous times.

"Nut Tragedy" and Song Given

Seated around the fireplace in a living room, Beta Tau Beta girls sang popular songs and ballads in a pleasing manner. Tri Kappa next came with a melodramatic "Nut Tragedy," which was quite pointed in some of its local hits on well known college folk. The costumes and general plan of the sketch was interesting.

A non-competitive number was given by the Y. W. C. A. in which musical numbers were featured. Waldo Hall's act was splendidly representative, including half a hundred girls. Attired in the clothes of various well known people here, they passed in review. All types of college girls were represented in the stunt.

A Hindu fantasy "Schemselnihar" was given by Chi Omega. The sketch made its principal appeal through rich Oriental color and a Hindu dance. The final number was "Mother Goose of Today" presented by the Home Economics club. Characters from the nursery rhymes were featured.

Prominent Men Learn Price of Fame

"Ted" Cramer, "Marsh" Wright and other prominent men about the campus learned the price of fame at the stunt show for they were more than featured. These men of public affairs appeared in rhymes and songs and some of them were impersonated by clever actresses. Faculty members were not exempt from the service but were drafted into the service for the evening, at least. Manifestations of various professors and students were searched out and used in many sketches with telling effect.

Front Rows Well Occupied

As is usual in college affairs of this nature, the first half dozen rows of the house were a solid mass of men. Some were there to applaud, and others to chuckle, but at any rate all remained to applaud. Some were armed with binoculars. The govern-

MEN WHO ENLIST WILL GET CREDIT

STUDENTS LEAVING TO ENTER THE NATIONAL SERVICE ARE PROTECTED

Full Credit for Those Entering the Army and Proportional Credit for Those in Industrial Work is Provided

Men who leave the College to enter the military service of the country will be permitted to graduate if they are seniors and will receive all credit except pre-requisites if they are not candidates for graduation, while those who leave to enter necessary agricultural or industrial service will receive credits in proportion to the work completed. Regulations to this effect were adopted by the Administrative Council yesterday.

Must File Certificate

These provisions are accomplished by a specification of just what the student must do to obtain credit. Men entering the military service must file within ten days of leaving the College a certificate from a recruiting officer, and they must have been making a passing grade at the time of withdrawal.

Those who are not candidates for graduation will get all credits except those for pre-requisite courses and in those for pre-requisite courses a marking of "incomplete." When they return they will receive assistance from their instructors so that it will not usually be necessary to take the class work over again. Any individual petition relating to the question of withdrawal will be considered on its merits and the College will try to be liberal with students who are leaving to enter the service.

Proportional Credit Given

For men not candidates for graduation this year who leave to enter industrial service a plan of giving proportional credit has been adopted. Those who leave on or after March 1, will get one-fourth of their credits; those who leave after March 27 will get half; and those who stay until April 27 will get three-fourths. In order to get this one must have been doing passing work, and must also file within ten days of leaving a statement from his employer certifying to the term and class of his service.

Instructors will determine grades on the basis of quality and quantity of work completed at the time of withdrawal and will report grades and credits to the Registrar in the usual way. Special blanks have been provided for those who intend leaving and they may be obtained at the Registrar's office.

ment has asked that citizens lend their field glasses to the country during the war and it is hoped by next year when the show is given that all students owning glasses will have been patriotic in this matter.

Stunt Show is Aply Managed

Miss Elizabeth Barker managed the show in a capable manner and her assistants, Miss Doris Clark, business manager, and Frances Brown, advertising manager, handled their share of the work efficiently. It is expected that the girls will be able to turn over a substantial gift to the Y. W. C. A. as soon as accounts have been settled. Saturday night's performance marked the third stunt show to be given and in the opinion of most people, each succeeding show has been an improvement over the former. If the momentum keeps up, the girls of O. A. C. in 1930 will have to be superwomen at stunt show giving.

IRENE AHERN CALLED TO OMAHA, NEBRASKA

Miss Irene Ahern who is connected with the experiment station of the Home Economics department, is now on her way with her mother to Omaha, Nebraska, where she has been called by the death of her grandmother. She will be gone about ten days.

"What are these?"
"War biscuits. What about 'em'?" Sherman said it. That's all.—Ex.

CADETS INSTRUCTED IN TRENCH CONSTRUCTION

Battalion of About 230 Men Spend Saturday in Hills—Advanced Guard Also Taken Up

A real work-out was given the battalion that drilled last Saturday in the hills west of town. The sun came out and collars were thrown open before the march to the field was half over. About 230 men participated.

Advance guard formation was taken up on the march to the drill-ground, with point and flank guards, and connecting files. Trench location and construction was the chief work of the day. Stakes and twine were used to indicate the front line trenches with their uniform traverses. Communication trenches were also staked out.

A chance for each man to show his knowledge of vantage points for trench location was given, and it was interesting to learn how nearly, or otherwise, his judgment coincided with that of the commandant.

The system of trench work as used at the present time was explained in full by Captain Maginnis with the aid of a chart.

Just Listen

"The college men are very slow. They seem to take their ease; For even when they graduate, They do it by degrees."
—McGill Daily.

LETTERS FROM BOYS "OVER THERE"

U. S. A. P. O. No. 18. Somewhere in France, February 20, 1918.

Professor Frank W. Shephard, Corvallis, Oregon, U. S. A.

Dear Professor:—

Well, here goes for a letter while I have the time. Time does not hang on my hands to any extent whatever over here.

Am at a French artillery school, learning the artillery game from the French standpoint. The French, without doubt, have the best and most perfect system in the world, and the best of it is being taken by our own government. I am on the go from 6 a. m. until 10:30 p. m., when I am glad to turn into bed, dead tired.

Have lots of horseback riding, gun practice on the range, wireless, map work, surveying, and all the technical part of making guns and ammunition; ballistics, and also a lot of hippology, and also some physical training.

There is hardly a course that I took at O. A. C. that is not helping me at this game. My manual training is helping me in my fortification work and the building of gun platforms. My math and drafting is helping also. My pedagogy and teaching experience are certainly going to be of great help in the next six months. I expect to have to do a large amount of instruction work, in the new field artillery regiments that are coming over.

The country is like Portland, Ore., and Seattle. Firewood is very scarce, so is pastry, candy and tobacco. It is rather cold, but we feel it very much on account of the dampness.

Have been here about three weeks now. Have received no mail from the U. S. for a month or more, as the mail service is very poor at present, but is improving very rapidly. Uncle Sam's soldiers are taken care of 200 per cent better than the other allies' soldiers.

I saw Lieutenant Ben Shubert, of the Theta Chi house, at O. A. C., '17, in England. Some of the boys there may remember him. Harry Belknap, ex-instructor in Physics at O. A. C., is here going to school with me. He is a first Lieutenant, and is going strong.

Expect to be here about two months more. Then I will go out to some outfit.

Well, I must close. Hoping to hear from you in the future, I am,

Sincerely,
LIEUT. JOHN M. HAMILTON,
F. A. R. C., U. S. A., P. O. 718, Section 24, American Expeditionary Forces, France.

PRES. THOMPSON TO SPFAK HERE

OHIO UNIVERSITY EXECUTIVE WILL COME HERE WITH GOV. WITHYCOMBE

O. A. C. Regiment Will Give a Special Parade and Review Friday in Honor of Distinguished Visitors on Campus

President W. O. Thompson, of the Ohio State University, will address the faculty and Student Assembly Friday, and classes will be shortened Friday morning in order to make time for the address.

President Thompson is undoubtedly one of the foremost college presidents of the day, and Dr. Kerr has, on several occasions, attempted to secure him for commencement addresses. Up to the present time it has always been impracticable for President Thompson to accept, but he is in the Pacific Northwest this week as a representative of the Federal Food Administration, and will be on the campus Thursday afternoon and most of Friday.

Here for Food Conference

While here he will spend the greater part of the time in conference with college specialists who are directly concerned in the Oregon campaign for increased food production and conservation. President Thompson will be a member of a party composed of Governor Withycombe and several others, who are coming to the college for this conference.

It has long been the desire of the Military department to have Governor Withycombe inspect the O. A. C. regiment, and the visit of the Governor here will be used for that purpose. Friday at 1 o'clock there will be a special parade and review in honor of Governor Withycombe and President Thompson.

Periods are Changed

In order to accommodate the schedule to the special program planned the Friday morning periods will be changed as follows:
First period—8:00-8:35.
Passing—8:35-8:45.
Second period—8:45-9:20.
Passing—9:20-9:30.
Third period—9:30-10:05.
Passing—10:05-10:15.
Fourth period—10:15-10:50.
Passing—10:50-11:00.
Parade and review—11:00-11:30.
Passing—11:30-11:40.
General assembly—11:40-12:50.
Lunch period—12:50-2:00.
Beginning with 2 o'clock, the regular schedule obtains.

The Shakopee literary society will hold its second regular meeting tonight at Shepard Hall at 7:15. A program has been arranged, but this will be supplemented by short extemporaneous speeches. One of the features will be a short impromptu debate on the question of whether Japan should be encouraged to enter Siberia. Those in charge of the new society hope to have the members provide the entertainment for themselves as far as possible. All meetings will be open to the public.

Weep and you're called a baby,
Laugh and you're called a fool,
Yield and you're called a coward,
Stand and you're called a mule,
Smile and they call you silly,
Frown and they call you gruff,
Put on a front like a millionaire,
And some guy calls your bluff.
—Huron Alphomega.

"School won't open next year!"
"School will close May 1," and "All the faculty have been requisitioned by the government for war purposes" are just rumors started by some misguided person for some unknown reason. If you can't substantiate any rumor adopt and apply Attorney General Gregory's slogan: "Obey the law and keep your mouth shut."—Ex.

Professor A. R. Sweetzer of Eugene will speak to the nature study class this afternoon on "The Flowers of Oregon." Mrs. Sweetzer will also be present and will exhibit a number of paintings of Oregon flowers. The meeting will be held at 329 Ag. and will begin at 2:30.

OUR ANSWER TO EXTRAVAGANT CHARGES

The Oregon Emerald in the issue of March 14 makes a desperate attempt to show that everything was "fine and rosy" at the wrestling meet between the two institutions on March 9, and that the Barometer article which stated that the referee left much to be desired was all wrong. This our contemporary falsely quoted the term "crooked work," for that expression was not used in any part of the Barometer issue. Furthermore the University paper uses such terms as "they will lyingly quote," and "starvation maddened backwoods editor" frequently in that rare four-column editorial. We do not care to copy these expressions for our own use, and gladly concede to the Emerald the monopoly on them.

The Emerald furthermore makes the startling assertion that "the O. A. C. student body cannot take defeat as gentlemen and sportsmen." The Emerald knows that this is absolutely untrue, that it is plain Emerald-made mud thrown on our student body and not "sunlight on O. A. C. spirit," as the editorial title reads. Does the Emerald recall the football game a year ago last fall? The University machine came here and gave us decisive and clean beating. The O. A. C. rooters rushed out on the field and the end of the contest and carried not only our own team but also the University players toward the Gymnasium. Both players and visitors from Eugene were given a cordial as well as a sportsmanlike reception. Many similar examples could be related if we had the space. On the other hand, if we should pass by such an event as the last wrestling meet without stating to our readers the startling incompetence, to say the least, of the official selected at the eleventh hour by Mr. Tiffany, we would indeed be super-pacifists, and a lot of weekling student journalists.

The sporting editor who wrote the Barometer article which seems to have inflicted such painful wounds on the delicate feelings of our contemporary was based upon information received from our delegation to Eugene and from members of the wrestling squad. They held that the article was in general quite mild, and have since stated that the case was on the whole represented accurately in the Barometer, except in a few minor details which we shall deal with fully.

The Barometer, in an effort to get at the root of the matter, has spared no efforts to find the facts in detail. Hence Manager Leech, Coach McDonald, and Captain Strome were requested to come to the Barometer office last evening to give specific information on every point brought up in the Barometer issue of March 12 and in the Emerald editorial. Furthermore, Mr. Leech prepared a lengthy history of the events leading up to the selection of Referee Burden by Manager Tiffany and Coach Shockey, supplemented by a detailed statement of fact regarding the meet itself, which was pronounced accurate by both Coach McDonald and Captain Strome. This official statement is published in this issue for the benefit of our readers including the Emerald.

Here are the points in which the Barometer article was incorrect as brought out not by the Emerald but by our detailed discussion with Mr. McDonald, Mr. Leech, and Mr. Strome. First, both sides agreed that in case of a close match the man on top longest should be given the decision, and not the one on top at the end of the six minutes period as stated in the Barometer. Second, the O. A. C. delegation did not protest the Palmer-Flegel match, but protest was made against the referee's evident partiality in other matches. Third, although Mr. Burden called a fall on Mr. McClain in a swift "rolling fall" while he had to hold his man tightly pinned to the mat for a considerable period before the referee was compelled to give him the benefit of the victory, Mr. McClain did not so hold his man "over a minute" as stated in the Barometer. These points, however, do not alter the case one particle, for the manager, the coach, and the captain of the wrestling team said in the Barometer office last evening that the article in the issue of March 12 stated the facts of the meet, except in the three minor details just mentioned.

The Emerald says that we "lyingly state that 'Oregon would win the match by any means.'" An Oregonian article under the University of Oregon headline dated March 2, says: "By some means or other, Coach Ed. Shockey and his five bone crushers plan to pry the O. A. C. wrestling aggregation loose from the Northwest mat title when the two teams meet in Eugene next Saturday night."

The Emerald asks: "Why is it that Mr. Burden was satisfactory as a referee for the wrestling match between the two schools two years ago, when the Aggies won five out of six bouts, and not at this time?" In answer to this Captain Strome, who is well versed in the wrestling history of the two institutions, says: "Two years ago the referee was unsatisfactory and both Coach

Arbuthnot and the men on the squad expressed themselves to that effect."

Our friends at Eugene further ask why we protest against a referee who was formerly a member of the University faculty when the match here last year, in which Oregon lost all but one bout, was refereed by Mr. Brown, a member of our faculty. This is an Emerald pipe dream, for Mr. Brown never refereed an Oregon-O. A. C. wrestling match. Furthermore, no complaint was made against the referee's decisions because he is an ex-member of the University faculty but because of the apparent partiality of several of the decisions.

The Emerald's assertion that "Wilson had to exert himself every minute to keep up with the retreating Buttervich" is branded by the three men quoted above as an absolute and deliberate distortion of fact.

Mr. Leech's statement in today's issue speaks for itself. It shows that the athletic management at Oregon, through inexcusable oversight or because of some other reason, wasted a lot of time in selecting an official, which resulted in the choice of their man to referee the contest. Here is a matter we should like to have the Emerald explain. Why did Mr. Shockey wait till about March 2 before getting in touch with Mr. O'Connell, in view of the fact that he told Mr. Leech here on February 23 that Mr. O'Connell would referee? Also, on February 27 Mr. Tiffany said in a letter to Mr. McDonald, "Eddie O'Connell will act as referee." In a letter Mr. O'Connell informed Mr. Shockey that he could not referee the meet, and at the same time suggested a capable Multnomah man to take his place. Why was this suggestion ignored? Not until March 6 did Mr. Tiffany write Mr. Leech that O'Connell could not officiate, and, in spite of Mr. O'Connell's suggestion, Mr. Tiffany said that he had not been able to find anyone to fill the place. In a letter to Coach Pipal, Mr. O'Connell says that he suggested a capable man. Why was not the suggestion taken up? On Friday night Mr. Leech telephoned to Mr. Tiffany concerning the matter, but the latter was still at sea, not knowing of anyone to fill the place. Not until Saturday morning at 9:30 did Mr. Tiffany suggest Mr. Burden. Mr. Leech protested and offered to compromise by using Mr. Duffy for one half of the meet. This Mr. Tiffany flatly refused. Why was this compromise unsatisfactory, in view of the fact that both W. S. C. and U. of W. were willing to have Mr. Duffy repeat his services in contests between O. A. C. and those two schools? In brief, it looks very much as if Mr. Tiffany and Coach Shockey first stalled on getting a referee and then told Mr. Leech just before the meet to use their man or call it off.

In this matter O. A. C. made one mistake, namely that it did not call off the meet rather than to go on the mat with a referee who had been protested and who, to say the least, proved to be extremely incompetent.

So much for the wrestling meet, but we would also like to point out that the Emerald is evidently trying to pick up another verbal fight by asserting that the Barometer "made charges" against Abraham Rosenberg, the champion orator, when it is said that he was a German born Jew. That was no "charge" against Mr. Rosenberg, and the Emerald knows it. If the Barometer representative at the oratorical contest, whose duty it was to learn the facts regarding the orators, was misinformed as to the winner's birthplace, we shall be glad to make the correction. The point is not an important one, and hence we shall take the Emerald's word for it. The fact remains that the Barometer gave Mr. Rosenberg more credit for winning the contest than did the Emerald itself. The Barometer said: "The Oregon orator, speaking on the question of whether Germans in this country should support America or their Fatherland and showing how Prussianism had destroyed the Germany of their affections, made a profound impression on the audience, and there was no doubt about the outcome of the contest as soon as he finished speaking."

We have devoted much space to this matter, but it is well worth it if we have been able to relieve our friend, the editor of the Emerald, of troublesome misconceptions.

BUY A W. S. S.

The War Savings Stamp campaign which begins in Corvallis today is of interest to us not because O. A. C. students are doing the canvassing here, but because the stamps help fight our battles. Many of us will take part in the battles of Europe before the war is over, and many former fellow students of ours are fighting them now. War Stamps are the medium through which our savings can go to their assistance. Those who are doing the canvassing are doing their part. It is up to the rest of us to get behind them and do ours.—B. Intramural Athletics

Inter-House Track

The result of the first week of fraternity and club track work has not been an unqualified success, owing to the fact that only a few of the houses have realized that track season has arrived. In the relay races, only a few of the houses have entered teams at all, and the result has been a decided lack of interest in the outcome of the races.

The fraternity field events have been even more neglected. The high jump and shot-put were held last week and a large number of the fraternities have failed to be represented altogether, and only a few have had the required number of men entered. As the final record depends on the average of four highest men, it is practically impossible to win unless at least that number compete.

The results of the first week's events give first place to Sigma Phi Epsilon in the high jump and to Phi Delta Theta in the shot-put. The high jump was won with an average of 5 feet, 2 1/2 inches, Sigma Chi running S. P. E. a close race, averaging 5 feet, 1 inch. Forest Mattox of Sigma Chi, was high man, jumping 5 feet, 6 inches. The winning team was composed of McCullom, Meyer, Cook, and Grey.

In the 16-pound shot-put the Phi Deltas won by averaging 33 feet, 1/2 inch. Second place goes to S. P. E., who averaged 31 feet, 1 1/2 inches. The Phi Deltas were represented by West, Lodell, Kasberger, and Rochford, Lodell putting the shot the greatest distance, 33 feet, 11 inches.

This week the running broad jump and hand grenade throw will be held, and it is to be hoped that a great many more fraternities will be represented than were the first week. Records may be made and recorded any afternoon, from 4 to 6 o'clock.

Intramural

Basketball Championship

The final game of the inter-fraternity basketball league will be played tomorrow evening at 7 o'clock, between the teams representing Sigma Alpha Epsilon and Gamma Tau Beta. These two teams are tied for the lead of the league and will settle the title in this post-season game.

REGULAR MEETING OF BOARD OF CONTROL

Board accepted schedule of events for women's athletics.

Board allowed \$50 for hiring of baseball coach for one week.

Board presented bill for \$28.00 for annual dues for national inter-collegiate association. Bill allowed.

Board granted sweaters to following members of wrestling team: Glen Strome, V. E. Buttervich, Arthur McClain, and H. M. Cummings.

Budget for track accepted by board.

Baseball budget accepted.

SOCIETY

Sigma Chi entertained with a dancing party last Friday evening. The Patrick's Day party was held at the house of the St. Patrick's Day, dotted here and there among clusters of daffodils.

The chaperones were Dean Fawcett, and Professor and Mrs. Zieff. Among the out of town guests were Misses Nora Manerude, Hope McKenzie of Eugene, Dorothy Ray of Portland, and Mr. Lorin Davis of Eugene. Other guests were Misses Opal Hart, Irma Yates, Elizabeth Barker, Mildred Heine, Clare Carter, Ruth Boyce, Dorothy Morrill, Alice Cornwall, Florence Holmes, Grace Crandall, Hazel Strief, Edith Chandler, Mary Holmes, Violet Lister, Adelaide Mahan, Marie Johnston, Dorothea Koerder, Margaret Dystow, Esther Shea, and Marshall Wright.

Alpha Tau Omega entertained Friday evening at an informal dancing party. Palms and the fraternity colors were used in decorating the house. Among the guests were the Misses Dykes, Frazier, Hargrove, Partin, Funk, Sawyer, Hollingsworth, Henry, Walls, Peterson, Kingsley, Crawford, Raines, Eaton, Freeman, Chadbourne, Walker, Fortmiller, Christensen, Dorn, Hutchins, Davis, Josephson, and Layton. The out of town guests were the Misses Crane and McMurphy, and Messrs. Couch, Blackady, Madden, Manerude, Smith, and Atkinson from Eugene.

The patrons and patronesses were Mr. and Mrs. Fjelsted, Mr. and Mrs. Jensen, Professor and Mrs. Gilmore and Professor and Mrs. Fulton.

The Salem club had a very enjoyable party at Shepard Hall Friday evening. Games and some extremely original stunts took up most of the evening. Then marshmallow toasting and popcorn popping were indulged in, until 11 o'clock, which came all too soon. Mr. and Mrs. E. B. Lemon, and the Misses Bozorth and Kalbus were chaperones.

On Sunday afternoon the Kappa Sigma house unveiled their service flag which was made by Miss Peggy Walker and Miss Katherine Strome. There are forty-six stars on the flag now and two recent enlistments brings the total to forty-eight. The guests Sunday were Mrs. Steusloff, Mrs. Minhos, Mrs. Cameron, Peggy Walker, Katherine Strome, Edythe Minhos, and Eckford Cameron.

Miss Alma Matten gave a dinner party at Waldo Hall in honor of her mother, Mrs. E. E. Matten of Salem. Those present were Mrs. Matten, Emma Snook, Eva Richards, Gladys Johnson, Lois Hathaway, Gertrude Lienkaemper, Esther Gardner, Merle DuRette, and Dorothy Buchner.

Miss Cordelia Richards entertained with a dinner party at Waldo Hall on Sunday. The following guests were present: Misses Mary Dunn, Zelta Peike, Claire Wade and Aurilda Harber and Messrs. Ralph Kellogg, Louie Hoppold, Henderson, Burton Dunn and Powell.

Miss Addie McCullough entertained her freshman sisters with a charming dinner party. Those present were: Gladys Brisco, Marguerite Chirley, Janice Dean, Agnes Agee, Florence Hills, Olive Colpitts, Olga Kephart, Jess Marsh and Irma Brook.

Mr. Charles Stazer of Portland, spent the week-end at Theta Chi fraternity visiting friends. Mr. Stazer has been employed by the Matthew Drug Co. since last year.

Miss Maude Maclean of Willamette University visited over the week-end with Miss Pauline Maclean of Waldo Hall.

Miss Emma Snook of Salem was the week-end guest of Miss Dorothy Buchner of Waldo Hall.

Mrs. Cameron of Portland spent the week-end with her daughter, Miss Eckford Cameron of Waldo Hall.

Mrs. C. J. Gaiber of Portland was the week-end guest of Miss Hazel Barber of Waldo Hall.

Mrs. J. A. Hanbke of Portland was the guest of Miss Helen Harbke of Waldo.

Miss Margaret Ray entertained her sister, Miss Dorothy Ray of Portland, at Waldo over the week-end.

Miss Juanita Moores of Salem was week-end guest at Waldo Hall.

Week-end guests at the Sigma Nu house were Earl Gammon and "Buck" West.

Sigma Alpha Epsilon had a very enjoyable informal dance in the lobby of the Men's Gymnasium last Friday night. The dance was a "hard times" affair, and everyone was appropriately garbed for the occasion. The following guests were present: Dr. and Mrs. Wendell Phillips, Professor and Mrs. Bouquet, Mr. and Mrs. Hurst, and the Messrs. Richards, Chappell, Sheehan, Herman, Abraham, Beattie, Sheehan, and Van Orsdel. The Misses Strome, Lewis, Hicks, Coffey, Svenson, Dick, Cohill, Carnes, Esther Spitzbart, Freida Spitzbart, Shelley, Freydid, Hedlund, Francis, Armstrong, Berchtold, Kerns, Brye, Wheeler.

Sigma Phi Epsilon entertained for dinner on Sunday Professor and Mrs. Gaskins and the Misses Dorothy Edwards, Norma Firestone, Vera Brown, Ethel Long, Pauline McLean, Ruth Pettigrew, and Miss Maud McLean from Willamette University.

Mrs. Elmer Ross of Eugene, spent the week-end at Tri Kappa house. Sunday dinner guests at Tri Kappa house were Mrs. Schrepel, Misses Young and Tweed, and Mrs. Ross.

Kappa Delta Sigma entertained for Sunday dinner Mrs. B. C. Williams, Mrs. Sophia Glass, Mr. and Mrs. F. J. Palmer of Jordan Valley, and Misses Verna and Ruby Skinner.

Beta Tau Beta entertained with an informal tea Saturday afternoon in honor of their house mother, Mrs. F. Morse. The guests included faculty and town women.

Saturday dinner guests at the Pi Beta Phi house were Loren Davis and Clifford Manerud of Eugene; Mrs. H. E. Legg, of Portland was a guest there during the week.

Jack Eakin, a prominent Kappa Sigma, left for Fort Leavenworth, Kansas, where he will study army sanitation, preparatory to receiving a commission in the Sanitary Corps.

Kappa Theta Phi entertained Dean Fawcett, Ruth Chambers, Mary Holmes, Florence Holmes, and Mildred Henry at Sunday dinner.

Mr. Frank T. Davis, of Portland, was a week-end visitor at the Sigma Chi house. He left for Portland after a visit on the campus.

Pearl Crane and Nora Manrud, of Eugene were week-end guests at the Pi Beta Phi house. Lea Fortmiller was a guest Friday night.

Mrs. W. O. Rood and her small daughter Joy, were at Cauthorn Hall for the week-end as guests of Marjory Rood.

Miss Elsie Frizel from Salem, a former O. A. C. student, was a week-end guest of Miss Hazel Lankins at Cauthorn Hall.

Sunday dinner guests at Gamma Tau Beta house were Dr. and Mrs. Phillips and Misses Hedlund, Freeman, and Svenson.

Miss Marguerite Young of Junction City, spent the week-end with Miss Catherine Tweed.

Miss Ada McMurphy of Eugene, was a guest over the week-end at the Delta Alpha house.

Jack Eakin left here Friday for Fort Leavenworth, Kansas, where he will take a course in army sanitation, preparatory to receiving a commission in the Sanitary Corps. He had put in an application for this appointment some time ago.

Eakin was a member of the junior class and of the Kappa Sigma fraternity. He was prominent in student activities while here, being a varsity basketball man, sergeant-major of the regiment, and assistant manager of the Barometer.

MISS AGNES REDMOND GOES TO MARSHFIELD

Will Succeed Marion Mateer, '16, as Instructor in Domestic Science and Art.

Miss Agnes Redmond, a senior in Home Economics, left Monday for Marshfield, Oregon, to accept a position as instructor of Domestic Science and art in the Marshfield High School. She will succeed Marion Mateer, '16, who is leaving Marshfield to take up extension work as director of boys' and girls' clubs in Kansas, under the supervision of Miss Lottie Milam, sister to Dean Milam.

Miss Redmond was a popular girl on the campus, a member of Alpha Chi Omega, and, for the past year, president of the local inter-sorority council.

FRATERNITY STANDINGS FIRST SEMESTER, 1917-18

It is held that the list of fraternity grades for the last semester published in the last issue of the Barometer had a few minor errors. Another list signed by Professor Beckwith is herewith published and may in all probability be regarded as final.

Fraternity	Members	Pledges
Kappa Psi Academic	89.16	82.25
Sigma Chi	86.61	83.35
Sigma Alpha Epsilon	85.75	83.93
Kappa Sigma Nu (incl.)	85.96	86.46
Gamma Tau Beta (incl.)	85.63	83.68
Lambda Chi Alpha	85.43	87.27
Kappa Sigma	85.42	80.91
Kappa Delta Sigma, incl.	85.04	88.90
Alpha Tau Omega	82.77	85.73
Aztec (incl.)	82.06	81.34
Sigma Nu	79.66	82.56
Theta Chi	79.12	81.17
General average, initiates	84.28	
General average, pledges	83.96	
All men in College	82.00	

(Signed) T. D. BECKWITH.

M. J. SEELEY GOES EAST TO TAKE NEW POSITION

Mrs. Seeley, Head of Physical Education for Women will remain here through the next summer.

Mr. M. J. Seeley of the pharmaceutical branch of the department of Chemistry left Saturday evening for Delaware, New Jersey, where he has accepted a position with the Antoine Chris Company.

Mr. Seeley is a graduate of the School of Pharmacy of the University of Michigan. He has been connected with this College for five years.

Mrs. Seeley who is the head of the department of Physical Education for women will remain here until June, when she will join Mr. Seeley in New Jersey.

Manager Leech Makes Official Statement of U. of O. Meet

On the seventeenth of January I wrote to Mr. Tiffany to confirm the date of the Oregon-O. A. C. wrestling match and also to inquire as to whom he intended to use as a referee. In reply to this letter Mr. Tiffany made no mention of an official. Being anxious to have the matter settled early and satisfactorily I again wrote Mr. Tiffany on Feb. 14 requesting that he inform me as to whom he intended to use as a referee. On Feb. 18 Mr. Tiffany wrote me that he would get in touch with Mr. Shockey and take the matter up with him.

On Feb. 21 Mr. Tiffany wrote me suggesting Mr. O'Connell. This letter did not reach me until Feb. 25th. In the meantime we staged our Washington meet Feb. 23 at which Mr. Shockey was a spectator. I asked Mr. Shockey who he intended to use as an official and he replied, "Mr. O'Connell." To this I agreed. On the 27th of February I wrote Mr. Tiffany that Mr. O'Connell was satisfactory. I also on that date wrote Mr. O'Connell that I was pleased to have him officiate. On the same date, Feb. 27, Mr. Tiffany wrote Mr. McDonald concerning some points on weights. At the end of the letter he stated, "Eddie O'Connell will act as referee." Having spoken four days previous to Mr. Shockey I assumed that the matter was closed and that arrangements had been made for the services of Mr. O'Connell. But it later develops that the arrangements were left entirely in the hands of Mr. Shockey and that he made no attempt to secure the services of Mr. O'Connell until about the second of March. Mr. O'Connell replied the day after receiving word from Mr. Shockey that it would be impossible for him to officiate and at the same time recommending to Mr. Shockey one of the Multnomah wrestlers whom Mr. O'Connell thought capable and who was at liberty to get away from his work on that date.

On March 6 Mr. Tiffany wrote me that he had just received word from Mr. O'Connell that he could not officiate. Mr. Tiffany also stated that he had not been able to find anyone to take the place of Mr. O'Connell but that as soon as he got track of someone he would take the matter up with me. I received this letter Thursday, two days previous to the meet. On Friday night, not having heard from Mr. Tiffany, I called him on the phone. He stated that he still was without an official and would have to see Mr. Shockey before doing anything. I requested that he call me in the morning. Saturday morning at 9:30 I again called Mr. Tiffany. He suggested Mr. Burden, who was unknown to me. I called several people of this city who were somewhat acquainted in Eugene and none of them knew Mr. Burden. Among those I inquired of was Lieutenant Everett May, former athletic manager at O. A. C., who happened to be in Corvallis at the time. Then I again called Mr. Tiffany and objected to the use of Mr. Burden. I suggested Mr. Duffy, but Mr. Tiffany refused to use him. I suggested that we use Mr. Burden for half the bouts and Mr. Duffy for the remaining half. I was informed that Mr. Duffy would not be used under any condition. I was somewhat rebuked for suggesting

a member of our faculty. I have since been informed that Mr. Burden was a former member of the Oregon coaching staff and that his picture may be seen upon the walls of the gymnasium as coach of the girls' basketball team. My compromise being refused, I refused to use Mr. Burden and Mr. Tiffany insinuated that in that case the only thing for me to do was to cancel the meet. Our conversation ceased without an agreement. Mr. McDonald and myself decided that we would rather rely upon the ability of the squad to acquit themselves fully under any condition than to cancel the meet, so I sent the squad to Eugene and later in the day I went there myself. On arriving at the gymnasium I was unable to locate Mr. Tiffany and I said nothing to Mr. Shockey concerning the referee.

Just previous to the meet Mr. Shockey, Mr. Burden, the two captains and myself met to discuss some points, there being no conference rules. I here stated that all we desired was a good, clean sportsmanlike meet. I mentioned a certain nose hold which is generally considered a foul in amateur bouts and it was decided to consider it as such. The first bout was called a draw, neither man leaving his feet. In the second bout the O. A. C. man received a fall. In the third bout, which was between Mr. Wilson and Mr. Buttervitch, the men wrestled without leaving their feet until just prior to the calling of time, when they clinched and went to the mat executing a roll which carried them entirely off the mat. In bringing them back Mr. Burden instructed Mr. Buttervitch to take the under position. Mr. Buttervitch went down upon the mat, but before Mr. Wilson had time to touch him time was called and Mr. Wilson was given the decision. During this bout Mr. Wilson continually used the nose hold which I had referred to before the meet. By motioning to Mr. Burden I called his attention to it and he instructed Mr. Wilson not to use these tactics. However, the instructions were disregarded and the foul was committed several times later. In the next bout the O. A. C. man received a fall.

The next bout was between Mr. Taylor and Mr. McClain. Soon after starting they clinched and Mr. Taylor threw Mr. McClain to the mat. Mr. McClain lit upon his back but before the weight of Mr. Taylor was upon him he turned to his side. Mr. Burden was across the mat, the men having fallen away from him. By the time he reached the men Mr. McClain was entirely upon his side but Mr. Burden patted Mr. Taylor signifying that he had received a fall.

The two lightweight men were then put on for their second bout and as in the first case neither man left his feet and the bout was called a draw. The next bout was the second between Mr. Hill and Mr. Cummings. Mr. Cummings threw Mr. Hill, dislocating his shoulder. Mr. Hill lay upon his back and cried out several times in pain before Mr. Burden would pat Mr. Cummings upon the back giving him a fall and allowing him to release his hold on Mr. Hill.

The next bout was the second between Mr. Wilson and Mr. Buttervitch.

Mr. Wilson again employed his foul hold. Due to the failure of the referee to take action on this point and due to the rapidity with which he called falls in favor of the Oregon men and the slowness in calling falls for the O. A. C. men, and because of the decision previously rendered Mr. Wilson, which in my judgment was unjust, I decided to halt the meet and discuss certain points before proceeding. I spoke to Mr. Shockey, but without avail. I waited until the finish of the Wilson-Buttervitch bout, which was called a draw, neither man leaving his feet. At this point I spoke to Mr. Burden requesting that certain points be discussed before proceeding. The hisses and hoots of the spectators prevented my speaking and I requested Mr. Burden to step outside the ring where I could speak. He became angry and refused. I then told him to go ahead with the meet and instructed Mr. Strome, our next wrestler, to go on the mat. Mr. Strome won a second fall and his match.

Mr. McClain then threw Mr. Taylor in their second match. Again the calling of the fall was delayed, Mr. McClain being forced to hold his man to the mat for some time. In the third bout between the lightweight men, the Oregon man forced the O. A. C. man to the mat and maintained an upper hold thereby winning a decision and the match.

In the third bout between Mr. Wilson and Mr. Buttervitch, Mr. Wilson employed stalling tactics, under the instructions of Mr. Shockey as Mr. Shockey later told me. Mr. Wilson continually retreated off the mat and was forced several times into the spectators. As Mr. Wilson later stated to Mr. Buttervitch and myself it was rather unsportsmanlike tactics, but legitimate. Neither man left his feet during this bout while on the mat and it was declared a draw. Mr. Wilson winning the match by virtue of the decision in the first bout. I have since read that Mr. Wilson was awarded a decision in the last bout but I think that it is a mistake. The third bout between Mr. Taylor and Mr. McClain was awarded to Mr. Taylor for having maintained the upper hold for the longest time. During the bout Mr. McClain obtained a hold upon Mr. Taylor and rolled him over upon his back. To me and to several who have spoken to me it appeared that Mr. Taylor's shoulders were both touching the mat, but Mr. Burden was so slow in calling that Mr. Taylor freed himself from the hold. This bout won the match for Mr. Taylor and decided the meet in favor of Oregon.

This is the history and facts of the case and in conclusion I wish to state that I consider our wrestling squad superior to any squad in the Northwest and that I consider the defeat at the hands of the Oregon squad as casting no reflection upon the worth of our men and that I consider the Oregon victory as one without true honor and glory and that it was won not by the skill of her wrestlers but by tactics far from those which should be employed in intercollegiate sports.

ARCHER O. LEECH.

NOTICES

Withycombe club will hold an important meeting Wednesday evening at 7:30 in the Seminar room.

On the evening of March 22 the senior class will give a dance in the lobby of the Men's Gymnasium. All seniors are requested and expected to be present.—Martin Kurtz, President.

Rook class meeting Wednesday at Women's Gymnasium.

Meeting of Miner's club tonight at 7:30 in the Mines building. Marshall is going to tell how and where he spent last summer.

Oregon Countryman staff meeting tonight, Tuesday, at the Oregon Countryman office in Shepard Hall. Meeting very important. Will begin promptly at 7, lasting 30 minutes.

Sophomore class meeting Wednesday, 300 Dairy. Convocation hour.—Teutsch.

The two girls seen picking up a gold gold wrist watch near the Administration building will confer a favor by returning it to 139 N. 14th St., or by calling 2268.

Everything Always for Less **J. C. Penny Co.** We Know We Save You Money
197 Busy Stores

We Have Observed that--

Many anxious eyes will scan this column today, expecting a "Stunt Show Special."

Verily we say unto you: It was some show.

Many local "celebrities" went there hoping for the best, prepared for the worst, and ready to take what might come.

The "unfair" members of the community can now cheer up for the busy week is over and the fair ones again open for dates.

Winning the cup twice in succession speaks for itself.

The whole audience knew that the Sigma Nu dog slept through the whole performance.

The "Kernel" and many other Sig. Eps. occupied the bald headed row on the left.

The D. T. Klan was represented in the same advantageous position on the right by Chas., Cac, Hod, Buts, and Darkhorse.

(Where, oh where, was the "dairy maid.")

Al and Agosti had squeezed themselves into the same row, only to beat it as soon as the curtain was lowered at the end of the last show.

"Oh! the reason why Hod doesn't like the Practice House is that he can never get me over the phone."

We have it from an authentic source that Marsh Wright will soon appear in a chauffeur's uniform.

Agnes R. received a most beautiful bouquet on the eve of her departure.

"Do you know who I am? I am a professor," said a voice from the balcony.

Even the S. A. E.'s on the bald headed row didn't appreciate the joke about the burial of the dog.

Doc Simms was seen at the florists Saturday.

Edith Chandler immortalized Dean Peavy in poetry.

Also Ted, the editor, and many others got "honorable mention."

"Risky" went out disappointed.

Much good verse was in evidence. Now we know that we have in our midst an able poetess from the other side of the Mississippi. Rooks Hugh Kyle and Ray Balbach and many other noted fusers waited patiently at the stage door. Ollie and Ann are both taking International Relations. We didn't know that this was a prerequisite to a course in Domestic Relations. Few realized that that formidable looking Kaiser was none less than our worthy second vice-president. The whole Beaver staff sat by the senior table night before last. The senior vigilance committee should get busy. "Tubby" brought field glasses, although he occupied the front row.
