Beavers Assume Underdog Role In Second Conference Grid Clash

53 Pledgings Mark Second Rush Period

Dubach Reports
Grand Total of 330
For Both Weeks

At the closing of the second official rush period U. G. Dubach, dean of men, reported 53 additional pledges added to the list of 277, making a total of 330 for the two official rush periods.

Those pledged in the second period are:
Alpha Gamma Rho—Martin Brown, Bonanza; Ernest Jerstedt, Carlton; William Howard and Robert Ten Eyck, Sandy.
Alpha Sigma Phi—Armel Johnson and Don Pentress, Portland.
Delta Chi—Dick Rhoades, Westwood, Calif.; and Tom Snowhill, Portland.

Delta Sigma Phi—Neil Muir, Eugene; and Charles Revell, Bonanza.
Delta Tau Delta—Sterling McGarvey, Bend.
Delta Upsilon—Robert Brosy and Gordon Weygand, Portland.
Kappa Delta Rho—John Strebin, Troutdale.
Kappa Sigma—Charles Stevens and Jim Thraikill, Boise, Idaho.

LCA Garners Six
Lambda Chi Alpha—Charles Gordon, Robert Platner and Ben Wright, Grants Pass; Carroll Page, Longview, Wash.; Robert Sawalish, Astoria; and Graeme Stewart, Portland.
Phi Delta Theta—George Cowne, Ed Frasier and Stewart Norene, Portland; Richard Miller, Albany; and Edward Temple, Pendleton.
Phi Gamma Delta—Paul Greiwe, Tacoma, Wash.; Gordon Johnson, Corvallis; Scott MacEachron, Portland; Robert Mosar, Seaside; and Carl Tanner, Douglas, Ga.

Phi Sigma Kappa—Robert Dungan, David Keller and Frank Thompson, Vancouver, Wash.; and William Helmick, Bend.
Morgan Pledgers
Pi Kappa Phi—Harold Morgan, Albany.
Sigma Alpha Epsilon—James Hunt, St. Helens; and Harvey Scott, Portland.
Sigma Chi—David Childs, Arlington; and Carrol Peterson, North Bend.
Sigma Nu—Clarke Bray and Walter Fulton, LaGrande; Jack Castleberry and Ben Kerns, Klamath Falls; George Smith, Portland; and Jack Beller, McMinnville.
Sigma Phi Epsilon—Earl Beile, Westfir; and Dick Hatchard, Portland.
Theta Chi—James Kuehnle, Palo Alto, Calif.; John Pratt, Portland; and Donald Ratliff, Malin.
Theta Xi—Alex Palumbo, Portland.

Gandhi Seeks Hitler's Defeat

WARDHAGANJ, India, Oct. 3-(UP)—Mohandas Gandhi urged the people of all occupied and invaded countries to launch a campaign of non-violence and non-cooperation, as a means of defeating Hitler.

Dad's Day Head
John Kling, senior in forestry, who reports "big things" for Dad's day on October 11 of which he has charge.

Ordeman Lists Car Rulings

All Automobiles Must Be Registered

No changes in the regulations governing the student use of automobiles on the campus have been made this year according to D. T. Ordeman, associate professor of English, chairman. For the benefit of freshman and new students the rules are as follows:
1. All students having motor vehicles in their possession and control must register them with the office of the dean of men as a part of college registration. Stickers that must be attached to the windshield are then issued to the students involved.
2. Students' motor vehicles may be used on the campus only on Sundays, holidays and nights of recognized social events.
3. Application for exemption from this regulation may be made to the committee on student use of automobiles through the (Continued on Page 3)

Wage Disputes Stall Defense Industries

WASHINGTON, Oct. 3-(UP)—New labor disputes are breaking out in defense industries, as fast as old ones are settled.
Five major walkouts have ended, but production is threatened again in the aviation industry. The Monarch Aluminum company at Cleveland is closed by wage demands of an independent union. But government pressure brought a resumption of work on 18 million dollars worth of aircraft part contracts at the Breeze corporations plant in Elizabeth, New Jersey.
The Graphite Bronze plant in Cleveland is idle in a dispute over pay rates. And federal conciliators are trying to settle a strike at the Midland Steel products plant, also in Cleveland.
One man was injured when CIO and AFL workers clashed at a Johns-Manville plant in Manville, New Jersey. CIO workers are resuming operations at the Alabama Drydocks and Shipbuilding company in Mobile. CIO electrical workers have ended their strike at the Dayton plant of Simonds Worden White.
Construction is being resumed at the Plumbrook ordnance plant, Sandusky, Ohio, and a strike has ended at the Electrical Machinery Manufacturing company in Minneapolis.
CIO picketing continues at the Air Associates factory in Bendix, New Jersey, but company officials say production is nearly normal.

Pledging Announced

Pi Kappa Phi announces the pledging of Bill Milne, sophomore in lower division from Corvallis.

Beavers Bare Teeth For Husky Mouthful

Stiner Names Starting Lineup; New Substitution Rule to Be Used

Corvallis is a ghost town today with most of the Oregon State college student body at Portland to witness one of the best gridiron shows of the 1941 season.

With teeth bared for action the Oregon State Beaver takes half the spotlight in one of the top football games of the nation when it tries to get a few mouthfuls of University of Washington Husky on Portland's Multnomah field.

The Beavers, confident after their excellent showing in last week's game with Southern California, will be in good shape and ready to demonstrate how football is played by the "country cousins." They will be out to avenge the 19-0

Today's Oregon State-Washington football game will be broadcast over KALE Portland, KWIL Albany and other Oregon stations of the Mutual Broadcasting system. Kickoff time is 2 o'clock.

Huskies Formidable

Washington, fresh from a 14-6 loss to Minnesota in the season opener last week, will be as formidable a team as the Beavers have to meet this year. With Bobby Erickson, their triple threat sophomore sensation, swivel-hipped Ernie Steele, Don Means and Jack Stackpole in the backfield, the Huskies pack plenty of power and deception. Their style of attack tries to put the ball handler up close to the line of scrimmage, so as to get the ball to the line quickly and leave plenty of opportunity for deception.

Unlimited Substitutions

One thing that spectators will probably notice in today's game will be the great number of substitutions, made possible by the new unlimited substitutions rule. Any number of substitutions may be made by either team, so long as too long a time is not taken in making the changes. To help identify the subs, the following is a roster of the Oregon State squad, with numbers and positions:
Roger Anderson (48) RT, Malcom Armstrong (27) RH, George Bain (96) LT, James Busch (43) F, Glenn Byington (59) RT, Boyd Clement (84) C, Martin Chaves (98) RG, Bob Cole (28) C, Stan Czech (65) RT, Joe Day (52) F, Bob Dethman (26) LH, Don Durdan (39) RH, Paul Evensen (55) LG, Gene Gray (25) RH, Quentin Greenough (95) C, Leland Gustafson (42) LE, Bill Halverson (63) LG, Lew Hammers (32) RE, Ralph Harper (35) RG, Bob Leichardt (38) RH, Bob Libbee (49) LH, Marvin Markman (85) Q, Bill McFadden (47) RG, Bill McInnis (45) RH, Dick McReynolds (83) RG, Kent Moorman (23) RH, Norman Newman (46) LG, Ted Ossowski (54) LT, Bob Panagis (53) C, Frank Parker (69) RG, Warren Perryman (56) RE, George Peters (58) Q, Norm Peters (36) LE, Bob Proctor (62) RE, Ken Pruitt (29) LE, George Redden (94) LH, Bob Saunders (92) RT, Lewis Shelton (24) F, Warren Simas (34) Q, Everett Smith (89) LH, Lloyd Wickett (68) LT, Ken Wilson (82) LG, Jack Yoshihara (86) LE, George Zellick (64) LE, Orville Zielaskowski (93) LG.

Beaver Captain

Big Bill Halverson, 230 pound left guard, has been named by Coach Stiner to captain the Orangemen in their battle with the Huskies today in Portland.

Probable Starting Line-ups

OREGON STATE		WASHINGTON

Prisoner Exchange Delayed by Berlin

LONDON, Oct. 3 - (UP) - A hitch has cropped up at the very deadline hour in plans for the exchange of British and German war prisoners.

Margaret Dusts Her Front Porch; Male's Shoe-leather Saved!

By Len Moyer
There've been some changes made!

Today, boys, you can enter by the front door of Margaret Snell hall. It's an interesting story, so here goes...

Since the day her lover died on the front steps of her home, Margaret Snell objected to the use of front doors. Therefore, general traffic has never been allowed to pass through the front door of the hall she donated to Oregon State college. That was one story we heard.

Another depicts the life of Margaret Snell as "true-blue" and conservative. When the new-fangled body-squeezing devices, corsets, were being worn by all

Group to Settle Camp Problems

MONMOUTH, Oct. 3-(UP)—The problems arising from a proposed military cantonment in the Monmouth area will be handled by an 11-man coordinating committee.

Annual Forensic Mix Set for Tuesday

Plans for the coming forensic season will be discussed at the annual forensic mix Tuesday night at 8 o'clock in Shepherd hall.

English Department Offers Writing Assistance to Students

A new experiment designed to offer students an opportunity to write under direction of a faculty member is being planned by the English department, Sigurd H. Peterson, head of the English department, disclosed.

Miss Carmen Places First In English Test

Corvallis High Paces Exemption List; Klamath Falls Next

Cynthia Carmen, a graduate of Corvallis high school, made the highest score in the English placement test given at Oregon State college this fall. She made nine errors out of a possible 200.

Social Committee Appointments Made

At the first meeting of the campus 4-H club Thursday night Ted Kirsch, graduate of OSC and former 4-H club member, gave a short account of his experiences in Washington, D.C., where he attended George Washington University on a 4-H fellowship.

Bierly Visits Campus

Ivan Bierly, OSC graduate of '38 and his wife, visited Corvallis for a few days recently. Bierly, who was active in debate on the campus, is now attending Cornell university, New York, where he is working towards his doctor's degree in farm management.

Men's Halls Receive Leather Furniture

Five pieces of shining new leather upholstery were moved into the clubroom of each hall in the associated men's dormitory Friday noon. The department of dormitories obtained the new pieces for the clubs.

RFC Takes Cascade Locks Land Option

Federal Government Plans to Build New Aluminum Plant

PORTLAND, Oct. 3-(UP)-The
reconstruction finance commis-
sion has taken an option on 200
acres at Cascade Locks in Ore-
gon. Herbert Decker of the RFC
says the option was taken be-
cause of federal plans to build a
new aluminum plant in that area.

Decker says he received orders
from Washington to acquire op-
tion on land running from Her-
man creek to the center of the
town. The piece would be large
enough to hold both a reduction
and fabrication plant.

Meantime, Senator Charles L.
McNary discloses that Cascade
Locks is favored over Troutdale
for the proposed 100-million-
pound reduction plant. And ob-
servers believe the option acqui-
sition plus the statement of Sena-
tor McNary makes the plant a
certainty.

Forest Fires Rage In California

SAN FRANCISCO, Oct. 3 -
(UP)-Serious forest fires still are
raging in northern California.
The weather bureau warns that
the hazardous condition, aug-
mented by strong winds, tinder-
dry woods and low humidity, will
continue for at least another 24
hours.

Nearly 1,000 hard-pressed fire-
fighters are battling a big blaze
in the Los Padres national forest.
Another fire is raging in Yose-
mite national park.

Morgenthau Escapes Injury as Plane Lands

PHILADELPHIA, Oct. 3-(UP)-
Secretary of the Treasury Mor-
genthau escaped injury tonight
when the coast guard plane in
which he was a passenger landed
with a disabled landing gear.

The gear was damaged when
the pilot tried to land by instru-
ments at the New Hackensack,
New York, airport, en route to
Morgenthau's home at Fishkill.
After striking the tops of several
trees, the plane headed for Phil-
adelphia where the pilot set it
down safely with the aid of extra
searchlights. Morgenthau then
continued his journey to Fishkill
aboard an Eastern Airlines trans-
port.

Pan-American Plane Crashes With 27

BOSTON, Oct. 3-(UP)-The
coast guards report that a Pan-
American plane out of Miami
crashed near San Juan, Puerto
Rico harbor tonight. Twenty-one
passengers and six crew mem-
bers were reported to be aboard
the plane. Fifteen passengers
were landed at the San Juan
coast guard station.

Sieg Favors Student Draft Protection

SEATTLE, Oct. 3-(UP)-Presi-
dent Lee Paul Sieg of the Uni-
versity of Washington believes
students should—as he puts it—
“be protected against any pre-
mature draft so they can com-
plete their undergraduate and
graduate courses.”

Addressing new students, Sieg
said universities are not claim-
ing exemption or shirking a job,
but are preparing students for a
heavier job than shouldering a
gun.

Universities, he feels, are train-
ing national defense leaders to
guide the world after the war.

Model Canoe Floats Into Georgia Gulf

VANCOUVER, British Colum-
bia, Oct. 3-(UP)-A tiny model
of an outrigger canoe which is
believed to have been tossed into
the Pacific off Fiji has been
picked up in the Gulf of Georgia.

In Vancouver, British Columbia,
a fisherman—Arthur Crocker—
reports that he picked up the
two-foot canoe off the north end
of an island 25 miles from Van-
couver.

An almost undecipherable mes-
sage found in the canoe indicates
it was tossed into the Pacific off
Suva, Fiji.

Violators' Cars Not Impounded, Troy Declares

OLYMPIA, Wash., Oct. 3-(UP)-
Under a ruling of Attorney
General Smith Troy, Washington
motorists need no longer fear
their cars will be impounded if
they violate traffic ordinances.

Troy ruled today such ordin-
ances are void and cars can not
be impounded without proof that
the owner was the driver.

Troy says a city has no right
to arrest an owner with proving
who was in charge of the car at
the time of the violation.

The attorney general adds that
police do not have the right to
impound or threaten to impound
autos because of accumulation of
traffic tags issued against them.

Shipyard Workers To Vie for Awards

PORTLAND, Oct. 3-(UP)-
Twelve thousand Oregon shipyard
workers have been invited to take
part in national competitions for
efficiency and production awards.

The thirteenth naval district ex-
tended the invitation to workers
in Portland, Astoria, and Marsh-
field.

Ratings will be made upon
progress of the work in hand,
quality of the work, morale of
personnel, and improvements in
these categories from one six
month period to the next.

Pennants will be awarded to
winning yards.

RAF Sinks German Ships

LONDON, Oct. 3-(UP)-The air
ministry reports that royal air
force planes today sank a Ger-
man anti-aircraft ship, damaged
six other anti-aircraft ships and
a transport, and set fires at the
Ostend docks.

The ministry reported that
RAF fighters discovered a nazi
supply ship, escorted by seven
anti-aircraft ships, off Gravelines
this morning. In the attack all
the German vessels here hit and at
least one was sunk. Three British
fighter planes are reported miss-
ing and one German fighter was
downed.

Canadian Red Cross Wants Blood Donors

VANCOUVER, British Colum-
bia, Oct. 3-(UP)-The Canadian
Red Cross has appealed to 6,000
British Columbia men to donate
blood for the cause of the Brit-
ish empire in the war.

A committee has been set up to
register men between 18 and 40
who are willing to contribute a
pint of blood or more toward
the so-called “blood bank” being
set up by the Red Cross in Can-
ada.

Ordeman Lists Rulings

(Continued from Page 1)
office of the dean of men.

4. Parking space for commuters
(students living beyond the city
limits) will be assigned upon ap-
plication to the office of the
dean of men.

5. State laws governing safe
driving will be enforced on the
campus. Students should not ride
on running boards.

6. Through Traffic Designated
along Twenty-sixth street and
Jefferson street.

7. Students may park on the
west side of the stadium to play
tennis or to participate in intra-
mural activities on that field,
but cars are not to be parked as
far north on this road as the
men's dormitory.

8. The parking space north of
the men's dormitory is reserved
for residents of the men's dormi-
tory. Other students are not per-
mitted to park cars there.

9. The parking space south of
the physics building is not open
to student cars at any time.

10. Students lending their cars
to others should inform them of
the regulations governing their
use of the campus, as owners are
held responsible for all viola-
tions.

Faculty Administrators Rules

Administration of these rules is
directed by a faculty committee
appointed by the president. Mem-
bers of the committee are D. T.
Ordeman, associate professor of
English, chairman; C. T. Yerian,
associate professor of secretarial
science, secretary; Paul X. Knoll,
assistant professor of speech; and
G. W. Kuhlman, associate profes-
sor of farm management.

Violators of these rules are
brought before the committee for
a hearing.

Lindbergh Attacks President Roosevelt Election Suspension Declared Likely

FORT WAYNE, Ind., Oct. 3-
(UP) - Another bitter attack on
President Roosevelt, charging
“dictatorship” and “one-man gov-
ernment” was voiced tonight by
Charles Lindbergh.

He told an America First rally
that Mr. Roosevelt is moving to-
ward suspension of the 1942 elec-
tions. Lindbergh declared, that
one man government, as he put
it, already has plunged the na-
tion into undeclared warfare and
deprived the people of their demo-
cratic heritage.

The flier said he has been made
the target of a smear campaign,
based on falsely ascribed motives
and distorted meanings. He did
not, however, refer directly to his
address at Des Moines, where he
said “the British, the Jews, and
the Roosevelt administration”
were major agitators for war.

Lindbergh's address tonight
was broadcast nationally (by the
NBC blue network.)

Lindbergh defied the interven-
tionists, saying that he would con-
tinue to organize and to hold
meetings among opponents of the
administration's foreign policy as
long as freedom stands erect in
America.

“I have no motive,” he said,
“other than the welfare of my
country and my civilization.”

The former colonel said he was
pitting everything he had against
what he termed the administra-
tion's drive for national destruc-
tion. He added that he had been
telling the truth as he saw it, and
declared that none of his state-
ments had been disproved.

Lindbergh called for a revival
of the spirit that built America,
and said that it is the thing on
which the nation must now rely.
He admitted that he did not know
how much longer free speech
would be possible in this country,
and added that he was speaking
as though this were his last ad-
dress.

Fishermen Feared Lost in Storm

SAN FRANCISCO, Oct. 3 -
(UP)-Coast guardsmen fear all
hands were lost when the fishing
schooner “Nordic Pride” found-
ered in a storm of Point Arena.
The cutter “Ariadne” has re-
turned from the scene without
finding any trace of the 10 or 11
men aboard the schooner. The
schooner was sighted, nearly sub-
merged, but it disappeared before
the storm subsided.

Armstrong Issues Call For Federal Support

INDIANAPOLIS, Oct. 3-(UP)-
Walter P. Armstrong, the new
president of the American Bar
association, calls upon the na-
tion's lawyers for ungrudging
support of government decisions.

Armstrong told members of the
association at a luncheon today
that the American people must
develop self-discipline to achieve
national unity. He described such
self-discipline as “informed patri-
otism,” rather than the suppres-
sion of free speech.

Inauguration of Armstrong as
president of the American Bar
association followed his election,
earlier today, without opposition.
He is a Memphis, Tennessee, law-
yer.

Consolidated Aircraft Dispute Settled

WASHINGTON, Oct. 3-(UP)-
The defense mediation board has
announced settlement of two
labor disputes — one involving
Consolidated Aircraft workers of
San Diego, California.

The board says that settlement
of the consolidated dispute is sub-
ject to ratification of an AFL
union at the plant, which employs
27,000 workers. Details are not
given.

At the same time, the board
says that a dispute at the Amer-
ican Brake Shoe and Foundry
company plant at Mahwah, New
Jersey, also has been settled.

invited to attend the meeting to
be held in M. U. 217 at 7:30
o'clock Tuesday evening.

Pope Pius Blames New Paganism For Divorces

VATICAN CITY, Oct. 3-(UP)-
Pope Pius blames what he calls a
spirit of new paganism for mak-
ing divorces popular. The pontiff
delivered an address opening the
new year for the Sacra Romana
Rota, the supreme court of the
holy see which has jurisdiction
over nullification of marriages.
The pope denounced suffering and
misery caused by continuation of
the war and said the conflict is
like a storm that destroys every-
thing in its path.

Ship Production Hits Full Swing

38 New Keels Laid Since September 1

WASHINGTON, Oct. 3-(UP)-
The rest of the defense program
may be stumbling along, but
America is pouring out a flood
of ships.

The navy department says that
38 keels have been laid since the
first of September. And in that
time 26 vessels of all types have
slid into the water. These included
a battleship, two cruisers, a sub-
marine, six destroyers and 16
auxiliary warships.

State Police Fund Authorized by Board

SALEM, Oct. 3-(UP)-Expendi-
ture of \$55,000 for expansion of
Oregon state police department
facilities and continuation of the
work of the state civilian defense
council has been authorized by the
Oregon emergency board.

The money was appropriated
from a \$248,000 fund created by
the last session of the legislature
for use by the Oregon national
guard. To get the \$55,000, it was
necessary for the board to adopt
an executive order by Governor
Sprague incorporating the de-
fense council into the state police
department.

The board approved a request
for \$30,000 to hire additional
state policemen for the adequate
handling of law enforcement prob-
lems in the booming Hermiston
and Astoria areas.

Defense Declares Damage Not Sabotage

PORTLAND, Oct. 3-(UP)-The
defense has waived the right to
place 21 Italian seamen on the
stand to testify in Portland's ship
sabotage trial. Attorneys argued
that damage to instruments and
propulsion machinery of the mo-
torship Leme did not constitute
sabotage.

The argument was advanced
after the prosecution rested its
case with a demand for a directed
verdict. The trial is in recess
while the court studies the plea.

Roosevelt Will Close Family Town Houses

WASHINGTON, Oct. 3-(UP)-
President Roosevelt will leave
Washington tonight for New York
City. There, he will close out fam-
ily interests in the two town
houses which were held in the
family name on East 65th street.

He will remain in New York
City only a few hours, motoring
to his family estate at Hyde Park
after he disposes of the New York
City properties.

It will be the president's first
call at the town houses since the
1936 campaign. Since the death of
his 86-year-old mother, Mrs. Sara
Delano Roosevelt, on September
7, he has offered both houses for
sale.

Moscow Radio Claims German Submarine

LONDON, Oct. 3-(UP)-A Sov-
iet war communique broadcast by
the Moscow radio reports the de-
struction of a German submarine
by units of the Russian northern
fleet.

The communique said that
fighting had continued “along the
entire front” during the day. And
it added that 16 German planes
were shot down Wednesday
against the loss of eight Soviet
planes.

Oregon State Barometer

Oregon '11' Wallops Idaho, 21-7

They Meet the Huskies Today

Members of the 1941 Oregon State football squad are: front row, left to right, Ted Ossowski, Roger Anderson, Paul Evensen, Dick McReynolds, Everett Smith, Bob Cole, George Redden, Bob Proctor, Bill McFadden, Lewis Shelton, Ralph Harper, Bob Coleman.

Second row, left to right, Bill McKalip, freshman coach; Jack Yoshihara, Ken Wilson, Bill McInnis, Boyd Clement, Bob Leichardt, Warren Simas, Leland Gustafson, Bob Panagis, Bob Libbee, Bob Saunders, Norm Newman, Dr. Waldo Hall, team physician.

Third row, left to right, Lon Stiner, head coach; Hal Moe, assistant coach; Martin Chavez, Gene Gray, Frank Parker, George Bain, George Zellick, Warren Perryman, Lloyd Wickett, Joe Day, Marvin Markman, Ken Pruitt, Percy Lacey, director of athletics; Gordon Rowe, student manager.

Back row, left to right, Jim Dixon, assistant coach; George Peters, Stan Czech, Glenn Byington, Bill Halverson, Lew Hammers, Norm Peters, Bob Dethman, Jim Busch, Quentin Greenough, Don Durdan, Del Allman, trainer.

Duck Team Outclasses Vandal Squad in Mud

Meecham Goes Over Goal Twice; Newquist Converts Three Times

UNIVERSITY OF OREGON, Eugene, Oct. 3—(Special to the Barometer)—Oregon broke into the win column for the first time this season by defeating the University of Idaho grid squad, 21-7, with comparative ease in a non-conference game here Friday night.

Chuck Meecham scampered over the goal line in the second and fourth quarters to lead the scoring for the evening. Robbin made the first touchdown for the Ducks in the initial period. Jim Newquist had a perfect night by converting all three times.

Vandals Score in Second

The Idaho tally came in the second quarter with Nicolik going across the paydirt. Anderson converted for the extra point.

Oregon had the Vandals tied up tight all the last half and limited them to eight yards gain from scrimmage. In the same period, the Ducks ran up 139 yards from scrimmage.

The field was very muddy throughout the battle. In fact, Oregon threw only one pass in the entire game, and it was a desperation pass in the end zone which was incomplete just before they made their final score.

Throwing 14 tosses, Idaho connected with two for a total gain of 22 yards.

Ducks Get Twelve

Having a decided edge in statistics, Oregon rolled up 12 first downs while the visitors were limited to four. The Ducks averaged 36 yards on their punts, and Idaho 32.

The third touchdown was a hard one for Idaho to take as they had, with the help of two five-yard penalties, shoved Oregon back from the three-yard line to the ten, only to have Meecham run around end and score on fourth down. There was only two and a half minutes left to play, and Idaho was unable to do anything.

Ding Darling Club Discusses Fish Pond

The construction of an experimental fish pond on college property was discussed Thursday night at the first meeting of the Ding Darling wildlife club in the Varsity O room.

John Lewis, club president, pointed out to the 50 members present that such a project would not only give students a chance for experimental work in their field but would draw nationwide interest of wildlife leaders.

Jay Long, instructor of fish and game, welcomed the new students and emphasized the importance of taking part in the club and campus activities.

The club adopted a resolution favoring the proposed Buck bill, placing a 10 per cent tax on fishing tackle to finance fishery research, which corresponds to the present tax on firearms.

New Team Planned

Entered in this year's independent sports is a team playing touch football, called "Hearing's Hot Shots." Among the players on the team are several members from the independent championship team of last year. The rest of the team members have played during their high school years.

College of Idaho Loses to Gonzaga

Makin' the Rounds

NAMPA, Idaho, Oct. 3—(UP) Gonzaga university from Spokane has won the first annual "lettuce bowl" football game. Gonzaga won the game—played in Nampa, Idaho—by beating College of Idaho of Caldwell, 14 to 0.

Fullback Pat Lamarche scored the first Gonzaga touchdown in the third quarter. Midway in the fourth period, Fullback Pat Higgins punched over another Gonzaga score. Gonzaga made 15 first down to two for the Idaho team.

The game got its name because of Nampa's claim that it is the fall lettuce capital of the country. One of the participants in a kickoff ceremony was Governor Chase A. Clark of Idaho.

British Columbia U. Plans Yank Football

The University of British Columbia has decided to play football, Yankee style, after all.

President L. S. Klinek had banned the sport at the university but student agitation forced the administration to reconsider the decision.

As a result, the University of British Columbia Thunderbirds will schedule games with teams from the United States and Victoria, B.C.

Forty aspirants turned out for the team.

Makin' the Rounds

Today is the big "IF" day, with the Beavers on the chopping block. If Oregon State beats Washington this afternoon they are definitely in the running for the top rung of the Pacific Coast Conference ladder.

From results of its game with Minnesota last Saturday, Washington looks like it could hold its own in any league. The Huskies are big and fast with one of the finest lines in the country, reports Jim Dixon, line coach and scout for the Beavers. They have a very remarkable sophomore backfield man this year who Dixon says, is every bit as good as Dean McAdams was last year in the kicking department. This individual is reported also to be a very good passer and runner. I am speaking of Bob Erickson, who has taken over McAdams' all-important right halfback position on the Husky team. For a sophomore to do all this his first year is very unusual, so look out for this lad, Beavers!

Beaver Sophs Good

Oregon State can also boast of some very fine sophs. Choc Shelton, fullback and starter today played a wonderful game last Saturday against the Trojans and as a result earned a starting position for today's game. Bill McInnis and Bob Leichardt, understudies to Don Durdan at right halfback, showed up well last Saturday. These two lads are also very good at tossing the pigskin and should see much action against the Huskies. Warren Simas, quarterback, kicked the extra point for Oregon State against the Trojans. This was his first big game and his first chance to kick the extra point, so he calmly proceeded to do just that. It takes a lot to scare this big fellow.

Hardluck "Gus"

Hardluck sophomore of the team this year is Leland Gustafson, left end, who has been held back by a leg injury in the first game with the Trojans and is yet on the doubtful list for playing today. He is reported to be one of the finest pass coaches ever to come to Oregon State since the playing of "Wild Bill" McKalip, now our freshman coach. Gustafson looked very good in pre-season practice and was slated to see action in the Trojan game but on the last scrimmage before going South he was injured.

Who's Going to Win

Out I go on the limb again today and try to pick a few winners in Pacific coast clashes:

I'LL TAKE:

OREGON STATE over Washington
CALIFORNIA over Washington State
STANFORD over UCLA
SOUTHERN CALIFORNIA over Ohio State

Well, enough's noff! Time's awastin'. So, I'll see you all at the ball game this afternoon. RALLY! RALLY!

Linfield Team Defeats St. Martin's Squad, 3-0

LINFIELD COLLEGE, Oct. 3—(UP)—Linfield college defeated St. Martin's college of Olympia, Wash., 3-0 here this afternoon in a football game marred by drizzling weather and a wet ball.

Clarence Rehkey, Linfield halfback, kicked a field goal in the third quarter for the only score of the game. Sinclair, a St. Martin's halfback, did most of the ground-gaining for the visitors.

Milam Attends Meet

Dean Ava B. Milam left Wednesday morning for San Francisco, Calif., where she will attend a regional meeting of the chairmen of state nutrition committees for defense.

WHITESIDE
CORVALLIS' FINEST THEATRE

LAST TIME TONIGHT

MASTER OF LOVE!

League G
Phi Kappa Tau vs. Buxton Field 3
Alpha Tau Omega vs. Alpha Sigma Phi Field 4

League H
Delta Chi vs. Phi Gamma Delta Field 5
Beta Theta Pi vs. Sigma Nu Field 6

Alcoa Legal Defenses Withstand Government

NEW YORK, Oct. 3—(UP)—The government anti-trust case against the Aluminum Company of America virtually has been quashed.

Federal Judge Francis G. Caffey already had rejected 10 of the government's 12 accusations.

And now—nearing the end of one of the longest decisions in history—he begins consideration of an eleventh allegation bearing directly on national defense.

But Judge Caffey indicates this eleventh count may take several days. This is the phase dealing with the government allegation that ALCOA had a monopoly in sheet aluminum. It is in this form that aluminum generally is delivered to airplane factories.

However, thus far Judge Caffey has considered only the monopoly charges. He has yet to give his decision on the conspiracy and restraint accusations against ALCOA.

Lend me a Minute and I'll give you back 15 seconds

Says PAUL DOUGLAS, well-known radio announcer

Somebody whistles a few bars of a catchy tune. Others pick it up. Soon the whole country's whistling it. It's a hit.

Somebody lights up a cigarette. Likes it. Passes the word along. Soon the whole country's smoking it. It's a hit. IT'S CHESTERFIELD.

The big thing that's pushing Chesterfield ahead is the approval of smokers like yourself. Chesterfields are definitely Milder, Cooler-Smoking and Better-Tasting. They're made of the world's best cigarette tobaccos. Blended just right to give you more smoking pleasure.

But even these facts wouldn't count if smokers didn't just naturally like them. Once a smoker finds out from Chesterfield what real smoking pleasure is, nothing else will do. Yes, fellow smokers, IT'S YOUR APPROVAL THAT'S PUSHING CHESTERFIELD AHEAD.

Everywhere you go they Satisfy
