

McMinnville, Ore., Feb. 26, 1930.

My dear Mrs. Palmer:

I presented the petition to the court and the Court granted the petition and ordered the sale of the personal property not heretofore set apart to you, at private sale for cash .

Keep a list of every article or piece of property by you sold that belongs to the estate with a statement of the amount received for each article, as we shall have to make a report to the court of each article sold.

I herewith enclose a list of the articles and pieces of property belonging to the estate, which you are to sell, and I state at what each was appraised. Get all you can for each thing sold.

Do not get the things that you sell that belong to the estate mixed with the things that were set off to you as exempt.

Truly yours,

*W. M. Ramsey*
