Mr. Slug Palmer

Dear Slug:

The Governor had a thoroughly good time at the dedication ceremonies in Dayton. I'm glad we were able to get all parties together for another memorable event.

I'm returning the article you loaned to us on General Palmer--thanks so much for the use of it.

I do hope that when you are in Grants Pass you will be able to see Anna and Flora. I am going down this weekend to see them and my folks.

Best personal regards,

Ronald G. Schmidt
