Mr Parrish

If you do not send me

The above bill soon I will have  
inform you that I will investigate  
some of your acts while you were in  
part Arford and put them in proper  
position which will probably not  
be very pleasant for you.

You have treated me with neglect  
and contempt as long as I am  
willing to bear it. I paid your  
liability to Mr Prot & Eddy expect-  
ing you were an honest man  
but have been very much deceived  
unless you do something more respec-  
table than you have yet done.  
I wrote you 6 or 6 months ago  
reasoning with you and offering  
if you would let me have the  
same amount of money for the same  
time you have had mine without  
interest I would be satisfied but  
you paid no attention to it I  
mention this thinking it possible

That you did not get  
the letter

Signed Aaron Byer

Now General

Mr Byer ought to  
have had his money long since  
and I have made three efforts  
to pay him but have failed to  
pay but \$318.00 when his true  
account is \$375.25 so deducting  
the \$318.00 from \$375.25 leaves a balance  
due him of \$57.25 remember this  
includes the note of \$300.00 he had  
of Prot & Eddy and the account  
he had of them for but of \$75.25

And now I shall not pay him  
no 3 per cent per month to bribe  
him not to investigate some  
of my acts while I was at Fort  
Orford

Truly Yours  
J. L. Garrison

P. S. On Examining the acct  
you will see a discrepancy  
in his receiving J. L. P.

what I do some times now while
