Giletz Agency

Dear Sir - I am informed that you have no school at the Agency at present & that you would likely employ a teacher soon, when Mr. Randall & I were at the Giletz we were both anxious for a situation but since he has concluded to go to Eastern Oregon and consequently given up teaching

I should like very much to secure the situation as teacher I am satisfied I can give satisfaction at any rate all I ask is a trial for recommend I will refer you to E. J. Bro. J. C. King, J. R. Bayley, Cornwallis you can also apply to Bro. Simpson or J. B. Connel

please inform me at your earliest convenience concerning the school

Yours truly
W. M. Chambers
