

Perth and June 25: 1874
Gen Joseph Palmer
Sir

We have just received a
Letter from Gen J. H. Mitchell
in which he informs us that
the vouchers given to us by you
must be computed into currency
and a proper certificate furnished
showing the value in gold coin
of U. S. currency at the date
of the Voucher before they can
be paid, when do you think you
will visit Perth and again, or
where could we meet you
a early answer will oblige
respectfully yours

Benj Walsman,

Madam
