Wm Joel Palmer  
Late Indian Agent

Dear Sir

Please find inclosed  
vouchers requiring your signature before  
they can be paid - Sign if you please  
and send me the rate of Currency at  
the date of vouchers and I will fill  
up the blanks on receipt of the  
return vouchers before sending them  
to Washington -

Weather pleasant here -

We had a little excitement here a few days  
ago - caused by drunken white visiting  
Indian Camps and abusing Indians -

We are now going after the whiskey  
ring here and try and see if we can  
not have justice

Drunkenness has become too common  
here, and I am informed that the Whites  
have lately been giving liquor to Indians  
I am after them now - Yours truly  
Samuel Case
