

Astoria Nov. 13. 1856

My Dear Sir.

As I did not learn when I was last at Dayton whether your report on my account for incidental expenses while acting as Ind. Agent was favorable or otherwise, I now take the liberty of enquiring of you whether your report was favorable or not and if favorable what amount was allowed.

If within your power to do so, you will confer a favor by answering the above enquiries.

Very Respectfully

Your Obt. Servt.
