Esq. Joel Palmer  
Dayton Ogn

Dear Sir

Being informed of your return from the "North" and the probability of your returning on another trading expedition in the Spring, should that be the case we would like to make for you trade a lot of Blankets and other goods that you might order. You will please advise us soon in regard to it if such be the case.

If convenient with you it would accomodate us very much at the present time if you could remit to us the amount of the bill of goods we forwarded to you about the 16<sup>th</sup> of March and April whole amount thirteen hundred and fifty nine  $\frac{23}{100}$

dollars (\$ 1329 <sup>23</sup>/<sub>100</sub>)

Hoping to hear from you  
 soon we remain

Very Respectfully Yours
