1. The first part of the paper  
 2. is devoted to a general  
 3. description of the  
 4. material used in the  
 5. experiments. It is  
 6. found that the  
 7. results are in  
 8. agreement with  
 9. the theoretical  
 10. predictions. The  
 11. data are shown  
 12. in the following  
 13. table. It is  
 14. seen that the  
 15. values are in  
 16. good agreement  
 17. with the  
 18. theoretical  
 19. values. The  
 20. error is about  
 21. 5%. This is  
 22. due to the  
 23. limited accuracy  
 24. of the  
 25. measurements.
