

Yamhill County Oregon 8<sup>th</sup> 1854  
Gen Parmler  
Oregon

I received a letter  
from you this morning, concerning a horse that  
I let Anderson Jack have this winter you state  
that this Indian James claims the said horse  
I bought the horse from a Gentleman in the  
Neighborhood by the name of Mr. Fick and  
he told me that he bought the horse in  
the Raymer Country this summer, as he came  
from the States. I contend for the horse  
so just set a day and let me know and I  
will try to prove clearly that it is my horse.

Yours Respectfully

John Moore

P.S. This Indian  
James says he has  
the horse, and I  
wish him to bring  
the horse on the ground  
on day of Trial

Yours  
J. M.
