Gen. Joel Palmer,  
Supt. Indian Affairs,  
Oregon

Dear Sir,

Allow me to suggest the name of Dr. Edwin P. Crew as a suitable and proper person to receive the appointment of Sub. Indian Agent for this section of the country.

He has been a resident of this part of Oregon for the last four years and is well acquainted with Indian character and remarkably successful in getting along with them.

His residence is at the mouth of the Umpqua river - I think a very proper point for the residence of an Indian Agent. It will please me, and your friends generally, to have him receive the appointment.

Very Respectfully Yours  
A. C. Gibbs.

Dr. E. Pitts
