

Office Ind. Agent,  
Rogers River

May 31<sup>st</sup> 1856

Mr. Geary

Sir

Will you have the  
kindness to correct any errors you  
may be able to detect in my papers  
which I have sent to your office. If  
I have erred in any particular it  
was entirely unintentional upon my part,  
and through inexperience, I also desire  
to know if the Genl. wants me to take  
up all the property belonging to this Agency  
on my property return, I only took  
up that that I had received for  
Also if it is desired that I should take  
up the proceeds of the crop which is  
now growing, if so please inform me  
by letter, I received copies of receipts for  
the distributions of the annuities last Spring  
but not until after I had distributed  
them, there was minus a coat, but I will  
supply that and get the signatures of  
the Chiefs to the forms which you sent  
me if you will only make the corre-  
ction on my papers before you send  
them off

Very respectfully Yours,  
Fraternally
