1938 Información sobre Información [Mexico City].

Edición especial: compilación de temas sociodemográficos [Special edition: a compilation of socio-demographic themes]. [Compiled by the Secretaría de Programación y Presupuesto, Coordinación General del Sistema Nacional de Información]. Información sobre Información (Mexico City), Vol. 2, No. 1, Dec. 1978. 862 pp.

In this special edition, information is presented on the statistical data available from public and private institutions in Mexico. Topics covered include occupations, salaries, income distribution, education, housing, health and social security, food and clothing, recreation, labor force qualifications, urbanization and environment, and legal status and indigenous population.

1939 International Institute for Vital Registration and Statistics [Bethesda, Md.].

Roster of specialists in civil registration, vital statistics and population registers. Bethesda, Md., Dec. 1979. 33 pp. "The roster lists 229 specialists who have experience with the policy formulation, design and operation of civil registration, vital statistics and continuous population registers, and who may be available to assist international, regional and bilateral agencies or national governments as consultants in these fields." [ADOPT 2(1)]

1940 Klosterman, Richard E.

Demographic and economic data sources: an annotated bibliography and source guide. CPL Bibliography, No. 32. Chicago, Council of Planning Librarians, 1980. 46 pp.

"This bibliography provides a brief survey of [U.S.] demographic and economic data available at the sub-state level, short descriptions of more detailed data guides, and addresses for state and local data processing and resource centers." The major subdivisions of the bibliography cover published census reports, current survey data, other sources of local area data, data source guides and descriptions, the 1980 census of population and housing, and data processing and resource centers. [Publisher's announcement]

1941 Schweizerische Gesellschaft für Statistik und Volkswirtschaft [Bern].

Schweizerische Bibliographie für Statistik und Volkswirtschaft/Bibliographie suisse de statistique et d'économie politique, 1977/1978 [Swiss bibliography of statistics and political economy, 1977-1978]. Vol. 34. Bern, 1979. 373 pp. ISBN 3-89524-034-6.

This unannotated bibliography contains a section on demography which includes subsections on fertility, mortality, causes of death, suicide, life tables, vital statistics, and natural movement of population.

1942 Singapore. National Statistical Commission.

An annotated bibliography of statistical publications, 1978. [Singapore], Dec. 1979. 148 pp.

This bibliography, the seventh issue in an annual series, covers official Singapore statistical publications published between April 1978 and June 1979. Titles are arranged alphabetically and by issuing agency, and a subject index is provided.

1943 U.N. Economic Commission for Western Asia (ECWA) [Beirut].

Bibliography of population literature in the Arab world. Part 1: non-Arabic literature. Beirut, 1980. xi, 274 pp.

This unannotated bibliography covers non-Arabic literature on the population of the Arab countries for the period 1960 to 1978. The bibliography is divided into six substantive sections entitled Size, growth and structure; Morbidity and mortality; Reproduction and family formation; Distribution and internal migration; International migration; and Multi-variable. An author index is provided.

1944 U.S. Department of Health and Human Services. Office of Planning and Evaluation; and U.S. National Institute of Child Health and Human Development (NICHD). Center for Population Research.

Inventory of private agency population research, 1978. Prepared for the Inter-agency Committee on Population Research. NIH Publication No. 80-694. [Bethesda, Md.], Sept. 1980. ii, 95 pp.

For the 1977 issue of this report, see 46: Title 1752. This inventory provides information on population research supported by the Ford Foundation, the Population Council, or the Rockefeller Foundation. The format is compatible with that used in the inventory of federally-supported research (see 46: Title 2825). Projects listed are grouped under the major headings of Reproductive processes, Contraceptive development, Contraceptive evaluation, Social and behavioral sciences, and Center grants.

1945 U.S. National Center for Health Statistics (NCHS).

Annotated bibliography of statistical methodology. [DHHS Publication No.] PHS 80-1316. [Hyattsville, Md.], June 1980. iii, 13 pp.

This annotated bibliography, the eighth in an annual series, lists 39 selected reports on statistical methodology produced by the National Center for Health Statistics in 1979. It includes both published and unpublished reports prepared by the Center's staff and by outside consultants. The citations are arranged alphabetically, with a list of addresses for requesting reprints. [American Statistics Index, Supplement No. 6, 1980]
