

...The ...  
...being prepared by the association for  
...advertisement of foreign

...M.D. during a press conference by the  
...association held at the Pera Palas Hotel, said  
...government has allowed the importation  
...cigarettes, they are being seen in the remotest  
...in very appealing packages. Kutal claimed  
...of the foreign cigarettes is appealing  
...specially youth.

...also proposed that the restrictions effec-  
...of domestic cigarettes and alcoholic  
...be imposed on foreign cigarette  
...also and a discussion program on the subject  
...TV.

...in the press conference were members of  
...ive board of the association, chairman of  
...inst Tuberculosis Association, UNESCO  
...Dr. Zulfü Sami and representative of the  
...ancer Association, Dr. Kadri Kahraman.

...state that  
...s very diffi-  
...ne because  
...Turkey, who  
...the foreign  
...ts, leans to-  
...lable brand.  
...t the evalua-  
...Tekel uses  
...s. "Tekel is  
...make a close  
...the foreign  
...n the world.  
...made by  
...om because

of the lack of it's knowledge  
of the listing of world and  
European sales, its distribu-  
tion mechanism being primi-  
tive and inefficient, and the  
lack of trained and professi-  
onal personnel in connection  
with the subject," they clai-  
m. Another view of the  
foreign cigarette representa-  
tives is that an importation  
priority must be given to  
foreign cigarette companies  
who buy and use Turkish  
tobacco in their products.

## foreign trade with countries increases

Turkey's foreign trade deficit with socia-  
e to 305,679,000 dollars in eight months  
e Anatolian News Agency. The foreign  
h socialist countries increased 7.6  
ed with the 284,118,000 dollars in the  
eriod in 1983. A total of 183,618,000  
e exportation was made to East Germany,  
a, Czechoslovakia, Hungary, Poland,  
oviet Union and Yugoslavia by the end  
ear. During the same period, a total of  
ars' worth of imports were made from  
Among the socialist countries, Turkey  
its exportation to the Soviet Union,  
lrgaria. The same countries also head  
from which Turkey imports.

e style

1.30 billion dollars since fo-  
reign capital laws were put  
into implementation. State  
Planning Organization figu-  
res show that 53.4 percent  
(578 million) of the foreign  
capital is accounted for in

number of applications, West  
Germany comes first with  
29. However, the total invest-  
ment envisaged by these com-  
panies is very low: only 6  
million dollars. In value, the  
Syrians rank first. A total of  
14 Syrian ventures have obta-

with a planned investment of  
108.2 million dollars. Interest  
in agriculture and mining, is  
smaller. Three foreign com-  
panies are planning invest-  
ments of 5.9 million dollars  
in agriculture and 250,000  
dollars in mining.
