MR. LAYLIN

The secretary to the Iranian Ambassador gave me the following information. The three gentlemen that were present at yesterday's conference are:

Mr. Mohamed Sorouri

[By profession Mr. Sorouri is a judge. He was Minister of Justice. Not in active service now.]

Mr. Hossein Kh. Alam

[He was Assistant Secretary of Agriculture and is at present a member of Parliament]

Dr. Mohamed Hassan Ganji

[He is Associate Professor at Teheran University, Department of Geography]

The Ambassador is the head of the Delegation. There is nobody second in command of this delegation. Mr. Sorouri would rank first among the above named three gentlemen since he is a judge.
