Chairman of the Power Planning Committee in Israel
Director-General of "Water Planning for Israel"

November 2, 1953

Mr. John J. Cotton,
Consulting Engineer,
San Anselmo,
Near San Francisco, Cal.

Dear Mr. Cotton,

I am sending you a copy of a letter which I wrote to Messrs. H. W. Bashore, J. L. Savage, and A. Wolman. Some days ago I sent you a copy of the Chas. T. Main Scheme.

As suggested by Dr. Wolman, I would like you to make factual comments as to the Chas. T. Main Report, especially with regard to the three questions which are of urgent interest to us.

I understand that Mr. Savage is leaving this country for Japan at the beginning of next week. It is, therefore, of the utmost importance that the statement of the Consulting Body be signed before he leaves.

It is extremely important that you send us at least your preliminary observations by the middle of this week, especially with regard to the three questions mentioned above.

With kindest regards.

Very respectfully yours,

SB/SR

S. Blass.
