4 September 1953.

From: Acting Chairman, Israel Syrian Mac.
To: SID.

1. It is the understanding of the chairman from information supplied to me that a new settlement has been established at MR. 2665 - 2079 called Nachlaim Hayarden.
2. As this settlement was established in Israel territory the chairman does not have the right to object but chairman does have the right to state his objection to persons of this settlement ~~utilizing~~ utilizing the ground within the demilitarized zone or for this personnel to enter the D.Z.
3. Therefore the chairman requests SID to take necessary measures to ~~assure~~ assure that the above does not occur thus creating a violation of GAA para 5(c) of Art. V.
4. It is further requested that all police ^{in vicinity} ~~visiting~~ of PLDC works, in progress be removed at once from D.Z. as this is direct violation of para 5 (b) of Art. V. The chairman disclaims all responsibility for any incidents occurring as result of presence of these armed police within the D.Z.
