Secret

March 16, 1956

To :- Dr. W. Eytan, Director General, Ministry for Foreign Affairs.
From:- Abba Eban, Ambassador - Washington D.C.
Re :- Your letter No.692501 of February 29, 1956.

Dear Walter:

Nobody here has ever spoken of "diverting the River Jordan". None of our plans at B'not Ya'acov or elsewhere would actually change the course of the river for two years.

I agree with you that more stress should be laid on this fact.
