THE ISRAELI DELEGATION TO THE  
ISRAELI-SYRIAN MIXED ARMISTICE  
COMMISSION

Tiberias, 29th September 1953

From : Senior Israeli Delegate  
To : Acting Chairman ISMAC

Subject: Syrian Letter No. 518/DS of 9/9/53

I acknowledge receipt of your letter of 17 September 1953, to which copy of subject Syrian letter was attached.

As already pointed out to you on many previous occasions, there are no Arab villages in Subject area of the D.Z. and therefore the question of Arab local police does not arise at all.

Furthermore, as stated in my message of 14 September '53 1100Z it can be clearly observed that these para military troopers are being relieved every four hours from the near Syrian Army position. This fact leaves no doubt as to their identity.

In the light of the above, you are requested to take prompt steps to ensure that these paramilitary troopers will be removed immediately from the D.Z. and that nobody from Syria penetrates across the international boundary into the D.Z. under any pretext or guise whatsoever.
