COMMISSION

Tiberias, 5th October 1953

From : Senior Israeli Delegate

To : Acting Chairman ISMAC

Subject: Complaint on a Syrian Army position
within the D.Z.

I would like to draw your attention to the fact that the Syrian Army has penetrated into the D.Z. east of Lake Huleh and established itself in a position at MR 2107-2768.

The above constitutes a flagrant violation of Art. V paras. 4, 5a, 5b and of Annex. II para. 3 of the G.A.A., by the Syrian Army.

You are requested to:

- 1) ensure the implementation of Annex. II, para 4 and order the immediate demolition of this fortified position.
- 2) ensure that no Syrian soldier crosses the international boundary and penetrates into the D.Z.
- 3) add this complaint on the agenda of the next formal ISMAC meeting.
- 4) advise soonest on action taken.
