

Daizafu-jinja -

Sept. 23rd A. M.

After the ceremony of transferring the sacred spirit from the Sanctuary to the sacred car, the Mikoshi is carried in state to Yonokiji. In the procession is a wagon drawn by a bull. It is a reminder of the bullock cart in which Michizane traveled into exile.

The procession returns to the Main Shrine on the following day.

Dazaifu-jinja -

June 24th

Birthday of Michizane.

Songs that have been composed for the occasion
are sung in front of the Sanctuary -
