G. HILKARD, MANAGING DIRECTOR

SAN FRANCISCO, CAL.

Sept. 5,

1919.

Mr. Leon L. Loehr,
Merchants Loan & Trust Company,
Chicago, Ill.

My dear Mr. Loehr:

My son Sam asked me the other day whether my Liberty Loan bonds were registered. I told him that those I hold individually were registered, but that I did not know about the others.

If they have been registered, kindly send me the registration numbers, and if they have not been registered, please have them registered jointly in my name and in the name of the Merchants Loan & Trust Company. After this is done, send me the registration numbers.

I have just returned from a very interesting trip to Japan. Major Warner is still in the Service, so our plans are not yet settled. I do not know at present whether or not I am coming to Chicago. If I do I shall hope to see you.

Very cordially yours,

My dear Mr. Linnard:

If you had asked me how often my sheets are changed

the others.

If they have been registered, kindly send me the
registration numbers, and if they have not been registered,
please have them registered jointly in my name and in the
name of the Lombard Loan & Trust Company. After this is
done, send me the registration numbers.

I have just returned from a very interesting trip

are not yet settled. I do not know at present whether or not
I am coming to Chicago. If I do I shall hope to see you.
