Sumiyoshi jinja - continued -  
returning to the Jan. 7<sup>th</sup> festival where  
the green - white - brown - horse is offered  
men called Nerio lead the horse to the  
22 Shrine. What does "Nerio" mean?  
Their attendants called "Tometi" what does  
that mean?

Fest of Tei-ryo or garden fire - What is  
23 the meaning of this festival? and  
what god is invoked? We should ask  
this question of Mr Tsuda.

On Jan. 13<sup>th</sup> fest: Mi - kechi - sai  
(mi = august, kechi = enshrinement)  
is festival to draw a bow i.e. to fix an arrow  
24 to the bowstring - I can't see the con-  
nection between the two ideas - again  
for Mr Tsuda

25. Aug 1<sup>st</sup> So far as I can make out from the  
description the sacred horse is taken to the 2<sup>nd</sup> 1  
Shrine for the god & ride in the procession. How  
about the 3 other gods in the 3 other shrines,  
do they go too? over

What about the Sakaki trees decorated  
with lions?

I see the divine car Horen, also goes in the  
procession - I think we should ask  
Mr Tsuda to send this order of the  
ceremonies ~~to~~ us - As we have it  
it doesn't fit together well  
and on the "day of the Here" in May,  
how many kaminis go in the procession?  
I think we must have the order of  
that fest. also.

When asking Mr Tsuda for the order of  
the ceremonies at these festivals, it  
would be well to include these questions

What is the meaning of this festival? We should ask  
the question of Mr Tsuda.

On Jan. 18<sup>th</sup> - fest. Mr. Terada -  
(Mr. Terada = establishment)  
a festival & show a poor i.e. to fix an error  
at the ceremony - I could see the car -  
relation between the two ideas - again  
for Mr Tsuda

Aug 1<sup>st</sup> to 20<sup>th</sup> for as I can make out from the  
description the so-called base is taken to the  
shrine for the god & held in the procession. How  
about the 3 other gods in the 3 other shrines  
at the top of the?
