Dear Mr. :

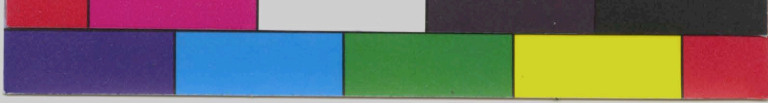

Your contribution last year helped us rescue 139 little ones, not all deserted like those in above picture but all homeless, left to the mercy of the world. There were 522 others under our care and supervision. Think of it, 661 dependent children made happy and given a chance because good friends like you helped us to do it.

Some folks prefer having a solicitor call. We can keep more of our income for the children's needs by not employing a collector. Won't you send your gift by mail? It was \$25.00 last year.

Hopefully,

Superintendent.

Dear Mr. :

Your contribution last year helped in response  
to the call, and all described like that  
in some places but all homeless, left to the  
mercy of the world. There were 200 others  
under our care and supervision. Think of 100  
of dependent children who have not given a  
word of thanks.

Some folks prefer having a collector call. We  
can take care of our income for the children's  
needs by not employing a collector. Will you  
send your bill by mail? It was \$25.00 last year.

Sincerely,

Superintendent
