Mr. William L. Finley;

Milwaukee, Oregon.

Dear Sir;

Enclosed find Two(\$2.00) dollars for which send me some pictures of Swan and Geese mixed single and double as you have them.

Please send me a permit to trap on Malheur Lake. There is so many strangers coming in to trap that they may disturb the nesting places of the birds. Could you do any thing to stop that? as we don't want to have the birds disturbed.

~~I will not~~ If you want anybody to act as deputy warden on this side of the lake, I will act pretty reasonable.

Yours respectfully.

A. H. Hüsey
