

October 17th, 1933.

Mr Herbert M Longley
Peterboro, New Hampshire.

Dear Mr Longley:

Your letter of October 11th has been received.
I wrote out the address for the crated table and gave it to
Mr Cutter.

The name was not Dr Fish, Jr. but Dr George F
Fiske, Jr. The place of destination was not Los Angeles, Calif.
but Huntington Park, Los Angeles County, California.

If you made this mistake in name and place,
please send word promptly to the freight office in Los Angeles
telling them of the mistake of name and place of destination
of the crate.

In the crate was a table which was willed to
Dr George F Fiske, Jr by his grandmother Mrs Perkins Bass and
if it has gone astray we must make a search for it at once.

Hoping that you will take this matter up promptly
so as to insure it's reaching it's rightful destination, I
am

Very sincerely yours,

Gettrude Bass Warner
Hotel Osburn
Eugene, Oregon.
