My dear Gertrude:

Replying to your letter of the 11th, I wish to say that you did write me asking me to deposit \$6,000.00 from your Continental Illinois Bank account in your Northern Trust Company account and on May 9th I made this deposit and was under the impression until checking it up today that I had written you to that effect. I am sorry that I overlooked doing so.

I will check up on the work that I have done in looking up your mortgages and let you hear from me later.

With very kind regards, I am

Yours very truly,
