My dear Gertrude -

Oct. 23, 1931 -

I received your letter of the 22nd with the enclosures of two income tax receipts and has previously received yours of the 16th regarding dates & about the pay for the Bank -

Your last letter sounded rather chipper and I too hope you will soon be on your way rejoicing & that we will see you in Chicago - We think you is getting over her cold but we all feel sorry that the dear girl is so much alone particularly at this time. Mame seems to worry a good deal. Otherwise we are all very well.

with much love Perkins
