I wrote Jean quite a long letter on November 25th last in which I incorporated the above, among other things, but I have had no reply as yet. I do not know what has happened to Avriett, if anything, but we are at work on the matter which we talked over when you were here. Mr. Craven, of this office, is familiar with the whole situation and is in New York at the present time and hopes to be able to find out whatever he can while he is there.

Your package of shoes from Pinet's, addressed to you in my care, was received and was forwarded November 29th to you at Eugene.

I am very glad indeed that you stood the journey so well and hope that you will arrive in Eugene in fine shape.

With very kind regards, I am

Yours very truly,
