

August 5th, 1932.

Mr Perkins B. Bass  
140 So. Dearborn Street  
Chicago, Illinois.

My dear Perkins:

Your letter of August 1st 1932 has been received. It enclosed the statement from the Northern Trust Company Bank along with the cancelled checks, your statement of my account in the Continental Bank and Trust Company, your statement of the check sent by Mr Edmonds of the quarterly dividend from the Bass Trust, and your office account for me. Thank you very much.

Please transfer from the Continental Illinois Bank and Trust Company account the sum of three thousand five hundred dollars to my Northern Trust Company checking account.

I am expecting Sam and Helen sometime next week for a visit. I am much encouraged about my knee for I am getting better all the time. This morning I looked at a flight of stairs and I said to Miss Klockars that when I could climb those stairs that I would go up and down them just for the fun of doing so.

I have a letter from Robert and the report regarding my Mother is good. He also tells me that he is going to move the things from my Mothers apartment in Chicago. That I think will be a good move, as a vacant apartment is just a waste of money.

With all good wishes,

Yours with love,

Gertrude Bass Warner.
