My dear Gertrude:

In accordance with our understanding, I wrote a letter to Mr. Bryson under date of February 13th, a copy of which I am herewith enclosing, but have not had any reply as yet.

When you were making provision to leave money in your Continental Illinois National Bank and Trust Company account, you provided for certain funds for a Federal tax but, as you know, there is no Federal tax and I believe there will be enough money in that account to pay one-half of the Oregon tax. As you know, the Oregon tax is payable one-half on April 1st and the other half on October 1st, so there is plenty of time to take care of this.

I am also enclosing to you a letter from the University of Oregon, addressed to you at the Pioneer Hotel, Tucson, and forwarded by them to me, also a telegram from W. J. Kerr from Eugene, Oregon, and a telegram I received from Brother George.

I hope you will let me know when you are arriving in Chicago on your way back.

With very kind regards, I am

Yours very truly,
