My dear Gertrude:

I also received another letter from you dated April 22, last, enclosing approval of the foreclosure of the John Izewski loan and in your letter of April 27th you enclosed a copy of your letter of the same date to Sam which included a copy of your telegram to him with reference to his taking your place as Co-Trustee with the Continental Illinois National Bank and Trust Company in the Bass Trust Estate.

When Sam was here last week, we called upon Mr. Butcher and had a long talk with him about investments, etc., and, while there, Sam showed Mr. Butcher your telegram and asked him that, if it was agreeable to the Bank, he would like to have them prepare such papers as were necessary to bring about this change.

With very kind regards, I am

Yours very truly,
