

May - Sept 1934

New York City, N.Y.

Mr Perkins B Bass
140 South Dearborn Street
Chicago, Illinois.

My dear Perkins:

I am not satisfied with what George writes me about his affairs and this letter is a request that you do not send him any allowance, nor any part of an allowance, nor any money which is not an allowance until you hear again from me on the subject.

While I am in N.Y. now, I am returning to Cambridge early next week.

Your affectionate cousin,

Gertrude Bass Warner.
