

December 12th, 1934.

Mr Perkins B Bass  
140 South Dearborn Street  
Chicago, Illinois.

My dear Perkins:

I am in receipt of your letter of December 3rd, 1934 with a statement of your office account for me, a statement of my balance in the Continental Illinois National Bank and Trust Company, the statement of the Northern Trust Company with the cancelled vouchers, and a notation that you had deposited the check of \$5,000.00 from the Estate of Clara F Bass to my account in the Northern Trust Company. Thank you very much.

I am enclosing the signed receipt for the check sent by Mr Edmonds.

I am down here in Eugene for a day and a half to attend to some Museum matters. This is my second trip down and I will be in Portland at the Heathman Hotel, Park and Salmon Street, Portland, Oregon until the Sunday the sixth of January. Then I am coming here to Eugene to be here for a few days and then I am going back to Portland.

The family seems to be well as usual. I had a letter from Belle Kendall the other day and they are all well there. I hope that you and Mame will have a very happy Xmas.

Your affectionate cousin,

Gertrude Bass Warner.
