My dear Gertrude:

Your letter of the 13th instant was received and on July 16th I deposited \$3,700.00 from your Continental Illinois National Bank account to your Northern Trust Company account.

I am glad that you made the trip to the lake region at the foot of the White Mountains. Some time back - about 1893 - Aunt Kate and I made a trip to the White Mountains and we enjoyed it very much indeed. I am very much interested that the Profile House and the figure of the Old Man of the Mountain are still there but I doubt if I shall ever see them again.

It was very pleasing to me to get the report that Edith is improving and I only hope that it will continue.

With very kind regards, I am

Yours very truly,
