My dear Gertrude:

I received your wire of the 18th instant, as follows:

"Please work with the Continental Bank on my income tax returns both Federal and Oregon then turn them over to Harry Edmonds for him to make out his part and then he will send them on to me for Mr. Bryson to finish I am also telegraphing Mr. Edmonds."

I have been expecting every day to get a Fiduciary statement of your trust account from the Continental bank and hope to have it any day now. Mr. Edmonds has sent me his Fiduciary statement for the Clara F. Bass Trust and as soon as I get the bank's statement I will send the two Fiduciary statements and my statement of State Street to you and you can turn them over as you indicated to Mr. Bryson, which I understand is the way you wish to handle the Federal Income Tax and the same information can be used for the Oregon State Income Tax.

I am still waiting for some expression from you in regard to our tenant on State Street, and with reference to your wishes for March 1st check to George, Jr.

We are all getting along about as usual at home.

With very kind regards, I am

Yours very truly,
