Dear Cousins:

Brother John passed away April 10th and was laid beside his wife at the cemetery in Albany. April 9th was his seventy fourth birthday. Ruth and family are still in the East and John F and wife and Walter and family were all in and near Berkeley, California, and were not able to come to the funeral, which was held in Albany April 12th.

All at Berkeley and here are in good health I suppose, and think I should have heard were they not, and we are hoping that all of you are improving in good health and spirits as you grow young and may you continue to do so.

W. C. BASS.

Should have written more promptly but felt obliged to go to Tacoma after the funeral.
