Mr Perkins B Bass
140 South Dearborn Street
Chicago, Illinois.

My dear Perkins:

I have had a couple of letter from George at Rochester and his is enjoying the clinics. When he is ready to return please send him the \$ 30.00, which according to George's schedule is still coming to him on the price of his railroad tickets and traveling expenses for the round trip.

He will have to wait a while for his October allowance of \$ 250., because I am short of funds. Just as soon as I know about my income in October, I will let you know about sending his allowance. I have had no real answer as to why George has to have his allowance sent in cashier's checks, since the matter with Mary Singer is over- at least he was sent \$ 125.00 with the understanding that that amount would settle her case. Why he had to pay her \$ 35.00 more than the \$ 125.00 is another thing that he did not explain. Speaking of the cashier's checks, of course, it is a reflection on him that he has to receive cashier's checks, and I am going to try and put a stop to it, or at least find out why cashier's checks are still necessary.

I am planning to go to N.Y., but until I am assured of how much my October income will be, I am staying on here, so please be so kind as to send me a wire here giving me the amount. You do not need to put in the word "dollars" and I will send you word about how much to deposite in the Northern Trust Company.

Hoping all is well with you and your family,

Your affectionate cousin,
