Dear Mrs Buehler

We had been wondering why we had not heard from the Century Farm Application then my husband discovered he had by mistake filed the application with the deed in our bank deposit box.

We realize this is not following usual procedure but thought it would not hurt to send the application being it was completed + certified by the correct date.

Thank you for any consideration.

Mr. and Mrs. Robert Anderson
Redacted for Privacy

Dear Mr. and Mrs. Anderson:

Thank you for your letter and application for the Century Farm certificate, which you recently discovered had been filed away.

Unfortunately, since the certificates are signed by the Governor and we can only obtain signatures in a batch for each award period, we are unable to provide you with a certificate for the 1985 period.

We are happy to retain your application until the 1990 award period, and you will receive a certificate as part of the batch we do at that time. You will be notified when we have made arrangements for presentation of the awards.

In the meantime, we do appreciate your interest in the Century Farm program and hope you will let us know if you have any further questions.

Sincerely,

Charles F. Wellman
Coordinator, Century Farm Program
