Waltonians:

HERE'S A TREAT

WM. L. FINLEY, Naturalist and wild life photographer wants you to go to Alaska with him, Monday evening, February 26.

Do you want to see giant icebergs in the making .. coming so close you risk life and ship?

Do you want to go down into the crater of a real volcano?

Do you want to see 30 and 40-pound Salmon just a few feet away .. trying and trying to leap the falls?

Do you want

Oh well, what's the use. I couldn't half tell, if I tried.

But be at the Milwaukee Athletic Club, Monday, February 26 at 6:30 P.M., and enjoy a 3 months' trip to Alaska in one and one half hours.

Come and bring a guest!

Cordially yours,

Harold W. Pripps
