Dear Will:

Herewith the tear-sheets requested.

Am in the market for material -- text and pictures.

Ed seems to have paralysis of the writing arm.

I'll have to get in touch with him, and raise a little hell.

Did you ever see me in action when I'm mad?

Good wishes to yourself and Irene, and your young people.

I could stand a bit of that Arizona sunshine -- to say  
nothing of the 'moon!

Sincerely,

*Sam Jr*
