Dear Tertrude: Bauby has had a cold - The doctor has been to see her each day - As she grows older she is more easily discouraged naturally I was very cast last week but waited until Bauby was better or less discouraged - I had just left her - She is much better and brighter so I am going away for a few days - Jack is here also Mr Edmonds - temperature have been normal Bauby's pulse and temperature have been normal I am writing this in haste for I must catch my train - Miss Daly & Billie are wonderful. With affection
