

C O P Y

April 23rd, 1932.

Mr. Sam B. Warner,
#40 Howells Road,
Belmont, Mass.

My dear Sam:

I am sending you the notice of
the meeting of the stockholders of the
Vegetable Oil Corporation.

I have signed it, and you can do
what you think best with it, sending it to
them or not, as it seems desirable to you.
I do not at this distance know how many shares
there are.

Yours lovingly,

Gertrude Bass Warner
