Dear Luana,

I went to see Dr. Ragle today & he said that I should stay around here for a week under observation, that is available for observation if anything went wrong, instead of going on a trip.

I went to the Continental Hotel & discovered that each room had bath & shower. The entrance has three low steps down & then one up. I am

Everyday I am feeling
better. I am looking forward
to the pleasure of seeing you
& Miss Klockars again.

With lots of love
from Sam.

Please let me know when you
are arriving, so I can
meet you at the train.
