Dear Maama,

These bonds are some which the bank bought some time ago without consulting us. It may be that they have some value. I do not know. It is probably impossible to sell them. I recommend that you follow the advice of the bank & deposit them.

Dear Madam,
These bonds are some which
I would suggest some time ago without
consulting us. It may be that they
have some value. I do not know.
It is probably impossible to sell them.
I recommend that you follow the
advice of the bank & deposit them.

Sincerely,
