MILLS COLLEGE P. O. EASTPORT

Office of the President

March 6, 1929

My dear Mrs. Warner:

Dean Adams has returned to the campus from a recent brief visit in Eugene. She reports having very much enjoyed her conversation with you.

Remembering your interest in all artistic matters I am sending you a notice of an exhibit of books which is to take place at our college March seventh to fourteenth.

This note is also to extend Miss Adams invitation to you to be a guest at this college. I have profoundly appreciated your influence in the development of the fine arts in the state of Oregon, especially through your generous gifts of art through the State University. Perhaps you would be interested in the efforts of Mills College in this field and it would be a pleasure to show you what we have done as well as what we have in mind.

Yours very earnestly,

Caroline M. Richards

Mrs. Gertrude Ess Warner
